

Art at Daffodil Preparatory School is a vibrant exploration of creativity for students from Year 1 to Year 6. Through a carefully designed curriculum, students delve into various art forms, from foundational concepts like colour mixing and perspective drawing to more advanced techniques such as digital art and sculpture. Each term brings new themes and inspirations. Our art programme encourages students to think critically, collaborate, and express themselves. They showcase their artistic achievements through exhibitions, collaborative projects, and public art installations, building a sense of pride and
