

At Daffodil Preparatory School, our History curriculum offers an exploration of key historical periods and civilisations, building a deep understanding of the past and its relevant to the present. From learning about ancient civilisations like Mesopotamia and the Mayans to delving into transformative eras such as the Industrial Revolution and World Wars, students journey through time, engaging in hands-on activities, immersive projects, and thought-provoking discussions. Our curriculum encourages critical thinking, empathy, and a nuanced understanding of complex historical events, empowering interactive assessments, role-plays, and creative projects, students develop a lifelong appreciation for history and its enduring impact on society.

History
