

At Daffodil Preparatory School, our Language curriculum offers a rich and immersive experience, guiding students from foundational language skills to deeper cultural understanding. Through engaging activities, projects, and assessments tailored to each year group, students develop proficiency in vocabulary, grammar, and communication skills while gaining insights into customs, traditions, and cultural heritage of the target language. Our curriculum creates a love for language learning, encourages critical thinking, and empowers students to become culturally aware global citizens prepared for success in an interconnected world.
