**Course/Program:** ESL 1 Beginning Level

**Objective:** Beginning ESL Literacy is to introduce elementary English to the students who take the first step to learn English. This step demonstrates concise questions and answers, who questions, yes/no questions, subject pronouns, basic proposition, etc. The purpose of this course is to let students know that English is an efficient language so they can use it very easily if they practice hard. Listening/Speaking: Functions in an insufficient way in situations related to immediate needs; asks and responds to basic learned phrases spoken slowly and repeated often.

Reading/Writing: Recognizes and writes letters and numbers and reads and understands common sight words. Can write own name and address

The workbook is assigned after each module. Student progress is evaluated at the end of each month. To complete this course and receive a certificate, students must complete all the assigned workbook homework and receive a grade of "C" or better.

**Students will receive a certificate upon successful completion of the training program. Successful completion of the training program consists of completing all assigned workbook and quizzes, test with a "C" or better after each module.**
