535 E. 42nd St., Paterson, NJ 07513

Brief History

JC Golf Accessories

- 1962 - 1st Generation - Bart Jenkins and Tom Carlson, working as sales reps in the Rocky Mountain region formed JC Golf Accessories.
- 1970s - 2nd Generation - Greg and Chris Jenkins (sons of Bart Jenkins), and Charley Carlson (son of Tom Carlson) join allowing JC Golf to better cover the entire Rocky Mountain region.
- 2000s - 3rd Generation - Katie Jenkins (daughter of Chris Jenkins) joins the family business. Product lines expanded, new software, and our first website launched.

Golf Max

- 1934 - 1st Generation - Brothers George and Henry Kovall incorporated Mayflower Medalist in NYC to sell apparel to golf courses.
- 1970s - 2nd Generation - Geoffrey Kovall (son of Henry) joins the family business and expands the product line including becoming the first Pride Sports Tee distributor, and one of the first Golf Pride grip distributors.
- 1980s - New Name: Golf Max.
Moved to a new larger warehouse/office facility in NJ.
- 2000s - 3rd Generation - Robert Kovall (son of Geoffrey) joins the family business. New Product lines, new software, our first website, and new warehouse locations in NC and OH added to better serve our customers.

2024 Golf Max acquires JC Golf Accessories joining two family-run multi-generation companies. Both companies continue to proudly serve golf pros, golf courses, and golf specialty retailers by providing quick, reliable service.

Together, We Make It Easy!

Warehouse Locations: Colorado, New Jersey, North Carolina, Ohio

TERMS: Net 30 days on approved credit, or by Credit Card.

PAYMENTS BY CREDIT CARD: We accept credit cards at the time of sale. If you use a credit card to pay a bill that has already been sent on Open Account, such payments are subject to a 3% bank fee.

MINIMUMS: For most stock items we do not have minimums. However, UPS and Fedex do have a minimum fee, so common sense suggests reasonable size orders to avoid a disproportionately high freight charge. There will be a Golf Max small order fee on orders under \$25.00.

PRICES: We endeavor to keep prices as low and as consistent as possible, but in the event of a price change

after this catalog is printed, we will ship at the prevailing price.

RETURNS: Please ask for permission before returning merchandise. All returns must have a written Return Authorization Number on them. There is a 20% Restocking Fee for any return not due to a defective product.

CUSTOM ORDERS: Must be in writing. Any custom order placed over the telephone is accepted under the express condition that we are not responsible for any errors of any kind, and the customer is unconditionally responsible for payment in full, unless the order is in writing.

2 GOLF PRIDE GRIPS

Align technology: Consistent hand placement. Consistent results. A raised ridge on the back of the grip locks in your hand placement for a consistent square clubface.

Align MAX: A more prominent raised ridge that fits naturally into the contours of your hands; 25% higher raised ridge as compared to Align. Easier installation compared to Align.

Tour Velvet

The most popular grip in golf today combines an exclusive, state-of-the-art rubber-blend compound with a non-slip surface pattern for maximum playability, comfort, and confidence.

		Core Size & Type
638	Junior	.500" Ribbed
626	Undersize	.580" Ribbed
625	Standard	.600" Round
623	Midsized +1/16"	.600" Round
636	Jumbo +1/8"	.600" Round

Tour Velvet Plus 4

The most popular grip in golf combines with Plus4 technology, a Tour preferred reduced taper. The equivalent of four extra wraps of build-up tape in the lower hand, encourages lighter grip pressure, reduced tension, and increased power.

- 612 Tour Velvet Plus4 Standard
- 613 Tour Velvet Plus4 Midsized

Tour Velvet 360

The Tour 360 is designed for adjustable clubs. It features the popular look and feel of the Tour Velvet non-slip surface pattern in a 360-degree design. This grip features double-dash rings on both ends that allow for a consistent appearance regardless of the shaft orientation or adjustments.

- 628 Tour Velvet 360 Standard Black

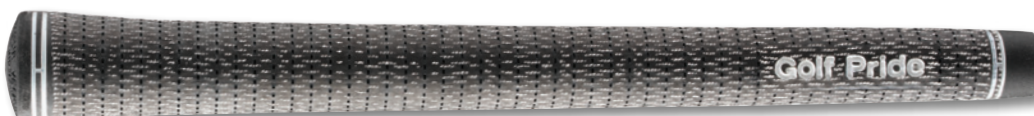

- 616 Tour Velvet 360 Standard White
- 617 Tour Velvet 360 Midsized White

Tour Velvet Cord

The most widely used cord grip on Tour, features Brushed Cotton Cord Technology, a tight-weave cotton twill fiber that creates a comfortable cord grip.

Ball Pickers

World's best ball picker ... period!

Superior Dual-Integrated Gang Technology means each gang PIVOTS INDEPENDENTLY IN ANY DIRECTION for unequalled maneuverability on rolling terrain, in all types of grasses and conditions, when navigating slopes, even when backing away from trees and other obstacles. IT'S THE ONLY GANG PICKER IN THE WORLD THAT BACKS UP WITHOUT GETTING TANGLED OR DAMAGED.

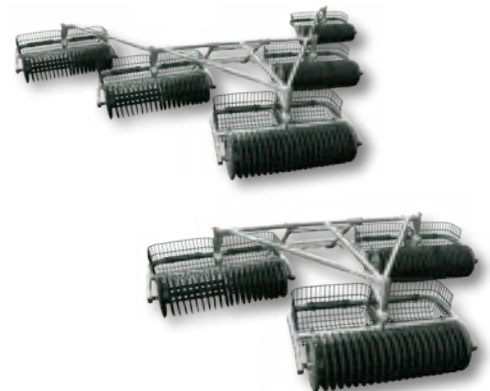

No need to exit the vehicle to untangle gangs.

LOW-PROFILE - reaches under trees, sweeps close to yardage markers.

Powder-coated finish ensures a superior, longer-lasting appearance and better rust resistance. U.S. and foreign patents pending.

5390 / Magnum Harvester Ball Picker 3-Gang Unit

5391 / Magnum Harvester Ball Picker 5-Gang Unit

Cups

5310 / ST2000 Smart-Fit Cup Aluminum
5311 / ST2000 Smart-Fit Cup Plastic
5312 / ST2000 Smart-Fit Cup Hybrid
(Aluminum base, Plastic walls)

Notched-ferrule flagsticks fall right into place every time. MagnaTech™ aluminum cups for maximum life and the most chip-resistant coating around. High-strength plastic cups molded with chemical-resistant polymers provide a brilliant, lasting finish. The hybrid, with an aluminum base and plastic molded walls, combines the best of both. Meets all USGA regulations.

5315 / Practice Green Cup
Molded plastic

5313 / MagnaTech™ Budget Aluminum Cup

5318 / Special Event Cup 8"
Powder-coated steel
Fits standard-size flagsticks
8" Diameter; 3" Depth

5317 / Standard Cup Cover
Economical cover "fills" top of hole; doesn't damage mowers. Sits on top of the cup, flush with surface of the green.
1" high 4 3/8" diameter

Cup Saver Ball Retriever by Standard Golf

Remove golf balls without damaging cup | Retriever connects to the bottom of the flagstick with a "snap in place" mechanism | Lift flagstick up and golf balls come up with it | Made from a super light, durable polymer | Use zip tie to hold in place to conform to USGA rules

5290 / Cup Saver 1/2" Diameter

5291 / Cup Saver 3/4" Diameter
Zip-Tie included.

Hole Cutter**5308 / EasyMark II**
