Lets all welcome the new Officers and give them all our support this year. I want to thank all of you for supporting me this year.

Elk of the Month

The title of Elk of the Month for March goes to a newer member who would jump in to help out at our lodge with many things without being asked. She's helped serve dinners and breakfasts. She assisted in unloading the truck that brought the food from the food drives and then helped sort the same food for the Christmas baskets. She has helped clean our Lodge prior to functions that we had. This person is supporting our Lodge every chance she gets. A special thank you goes out to **Alyssandra Dollan**, our March Elk of the Month.

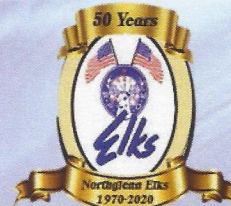

Paul Schmeisser
Leading Knight.

Volunteer Of the Month

Volunteer of the Month for March is someone who works in the background most of the time but, her help is very important just the same. She most recently helped with the Cowboy Ball and will be very busy organizing banks and keeping records straight at the annual Bowling Tournament. She is always willing to pitch in and help when ever asked. Congratulations to **Cindy Burnett-Bloch** as March Volunteer of the Month.

Did You Know????

In 1928 John F Malley envisioned a plan that would "unite the forces of the Order into a mighty army for the service of mankind".

Since inception, ENF has contributed more than \$500 million towards Elks charitable projects nationwide. This year ENF allocated \$13.7 million to fund the Community Investments Program. Community Investments Grants offer Lodges an opportunity to serve our communities in ways that will raise our Lodge profiles and, energize membership.

Since inception, ENF has received more than \$266.1 million in contributions. Today they boast over 100,000 active donors and an endowment fund valued at \$716.6 million.

When you are asked to give to ENF, remember that you are part of the Charitable efforts of our Order. For more information, visit www.Elks.org/Enf/background

WAYNES WORLD

While I'll admit to being slightly imaginative and maybe slightly exaggerative in some of my articles, I'd like you to know that this is an absolutely true story. I'd like to share it with you, you'll see why at the end of my article.

A newer member and I were cleaning up one evening after a Lodge event, (I underline Lodge so that you realize that almost everyone in attendance was a member) I was folding and putting away tables, rearranging furniture to it's proper place, taking down and storing decorations, etc., she was picking up empty glasses, cleaning up popcorn, vacuuming the carpet, and cleaning up the restrooms. There were a few other members present and some were helping, some weren't. As we neared completion, she pulled me aside, and asked, "Do you think our membership treats their homes this way? Where they just make a mess, leave it lay, and go about their business?" I answered that no, I really didn't think so. "Then why do they do it here?" She asked. I said, Unfortunately, I thought they viewed the Lodge as a place where they were to be served and catered to rather than their Elks Home. She said, "You know, if we could get our members to treat this place as their home, We would almost never need community service here".

So I put it to you, our membership, is this your Elks Home? Can you treat it as such if you don't already?

I hope so .

Wayne

Celebrating our 50th Anniversary

Institution of Northglenn Lodge

April 26, 1970

The Northglenn Elks Lodge was instituted on April 26, 1970. We would like to share the prologue from that ceremony.

Prologue

A little over ten years ago Perl-Mack Construction Company built their first model homes, in what is now Northglenn, at 104th Place and Grant, located 8 miles north of Denver on Interstate Highway 25. People driving out from Denver to look at the new homes felt they were really getting out into the country. The clear air and suburban way of life make Northglenn an ideal place to live. Long's Peak and the mountains to the west during the ever changing seasons provide a spectacular view.

Northglenn has over 8,000 homes and a population of 28,000 people. In 1964 the community was filed for incorporation as the City of North Glenn, two words. After a lengthy court battle, the city was incorporated in March of 1969 as Northglenn. The original group of citizens interested in forming the city was known as the Civic Association later to become the Northglenn activists. The first city election was held in March of 1969. The first city officials worked without pay as Northglenn did not have any tax income until the first of 1970.

In August of 1969 a group of men headed by New Lodge Committee Chairman Ed Klipka along with Jerry Connolly, John Prunk and James Steers thought the new city of Northglenn should have an Elks Lodge. The brotherhood of an Elks Lodge and the Civic Service could surely fit into our new city.

On September 25, 1969, after a few preliminary meetings in James Steers' basement, the first official organizational meeting for the new Elks Lodge was held in Northglenn Mall Community room. At this time, Lodge Committee Chairman Ed Klipka, along with Jerry Connolly, John Prunk and George Wright stepped in to guide us to this institution day.

Fraternally,
