## EXALTED RULER'S MESSAGE

Happy April everyone.

It's hard to believe that we are this far into the new year. With 2020 being Northglenn Elks 50th anniversary, plans are being made for lots of fun and exciting events and activities to last throughout this new Elk year. The PER's are hard at work behind the scenes to make sure that our 50th celebration will be long remembered.

I hope our members will turn out and support our Lodge by attending the many events that I have scheduled for this year.

If at any time you have a question, concern or idea, please feel free to call me, text me or message me. Please remember, I am here for you, the members.

Sincerely,  
Paul Schmeisser

## Elk of the Month

The Elk of the Month for April is an individual that has been deeply involved in Bingo and the Lodge for several years. Since finishing his tour as a Trustee, he has remained very active as a Lead Bingo Manager, taking care of the Club pickles and filling in as back up to our Club Manager. Please join me in thanking and congratulating **Bill McClintock** as April's selection as Elk of the month.

Stephen Boyd  
Leading Knight.

## Volunteer Of the Month

This month's selection for Volunteer goes out to a person that has been part of our Lodge since Inception. She has remained active within the Bowling League and Tournament but recently she has been helping out at Bingo often. Congratulations **Marilyn Yost** on being this month's volunteer of the Month. It is always a pleasure to see your smiling face. Thank you for all that you do for us

## Update from the Northglenn Elks on Coronavirus

As the coronavirus (COVID-19) situation continues to evolve, Our Lodge is proactively taking steps to protect and support our members, families and the community where we live and work. Our priority is to ensure the well-being of our Members and to minimize the risk of illness to those we love. As we continue to monitor the latest COVID-19 developments and the evolving impact of the virus, your health and safety remain our top priority.

After very thoughtful and thorough consideration, we have decided that it is in everyone's best interest that **starting Tuesday, March 17th, The Club and Restaurant Facilities** at the Northglenn Elks Lodge location will **shut down for a 30 day period**. This includes all Club related functions. The Offices will remain open with limited hours to ensure the needs of our members are addressed. We will continue to monitor events and will reevaluate after 14 days.

All scheduled events will be cancelled or postponed. While meetings remain on the calendar, they will be on an as needed basis and may be cancelled if not deemed necessary to the sustained operations of our Lodge.

We continue to monitor each day's events very closely. Our Leadership Team also continues to meet daily to discuss the situation and take action when necessary based on updates from the Center for Disease Control (CDC) and World Health Organization (WHO) as well as federal, state, and local agencies.

While we cannot speculate the course of the virus or anticipate the required actions these agencies must take, our goal is to return to normal operations on April 17<sup>th</sup> 2020. This date is very flexible. Please continue to monitor our facebook page and our web page for updated information. You can also call the Lodge weekday mornings to talk to the Secretary or Manager for additional information.

We recognize this is a time of uncertainty and greatly appreciate your patience and understanding as we work through this challenging situation. As a reminder, if you are diagnosed with COVID-19, or influenza, please follow your doctors orders. If you would like to learn more, please use the following link to access additional factual information.

### Shanna Rondo Benefit A Huge Success

I have been receiving kudos for the benefit that WE had March 14th. I could not have done this without my right hand lady, [LuAnn Wallace](#). There was Shanna's mom, [Gloria Werner](#) who did what she could on her days off from Bingo and filling in at the Lodge. [Edie Wallace](#), you are always someone I can depend on and my granddaughter [Melissa Baca](#), thanks to you too. My husband, the new Leprechaun, who ran for Shanna! In spite of some bumps in the road, we did a successful job. I am humbled by the generosity of those who contributed money, items but mostly their support and love. You all made this the success it is. I believe that we can do anything if we support each other. Thanks to everyone!  
Sincerely, Mama Louise

### Did You Know????

ELEVEN O'CLOCK TOAST is a Northglenn Elks tradition to be observed at 11:00pm during a Lodge Event, as well as part of our Indoctrination of a new member. This toast is done as a remembrance of all of our absent members.

You have heard the tolling of eleven strokes. This is to remind us that with Elks the hour of eleven has a tender significance. Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night the great heart of Elkdom swells and throbs. It is the golden hour of recollection, the homecoming of those who wander, the mystic roll call of those who will come no more. Living or dead, Elks are never forgotten, never forsaken. Morning and noon may pass them by, the light of day sink heedlessly in the West, but ere the shadows of midnight shall fall, the chimes of memory will be pealing forth the friendly message: **"To Our Absent Members."**

### Become a part of the Team

Being a member of the Benevolent and Protective Order of Elks can mean several things to several different people. One thing that is a constant is that you get out of anything, exactly what you put into it. We take pride on helping our community and veterans, shaping our youth and having fun while we do it. If you would like to get more out of your membership, contact one of the Lodge Officers. If you are interested in certain activities or committee's let us know. We would love to get you involved and help you to ***Become a part of the Team***

## WAYNES WORLD

Greetings! As you all know, as of April 1st, we have a new Exalted Ruler!

I'd like to welcome Paul Schmeisser, our new Exalted Ruler, and his officers to their new positions. Also, I want to extend my best wishes and sincere thanks to each of them for their services in each of their respective positions. None of these positions should be taken lightly, nor should the people who have accepted them. Each of these positions comes with it's own set of duties, sacrifices, and obligations. It follows, then, that each of the individuals who have accepted these positions are, when united as our officers, a very special group indeed.

This, in turn, charges each of us, as Elks, to be mindful of thanking them by way of our assistance, support, and acknowledgment of the tasks they perform in the service of our lodge and membership.

I anticipate great things in the coming year, and considering the group of people who have taken this task in hand, seriously doubt I will be disappointed.

Therefore, to this group, I'd like to be among the first to say

**THANK YOU!**

Wayne
