EXALTED RULER'S MESSAGE

Well, what can be said?

At the time of this writing, our Lodge is still closed. I must say that so far, as I've been told, my first full month as ER has been the easiest in Northglenn Elks history.

We are moving forward with a new tentative schedule for May. Check the calendar in the banner for events and their tentative dates.

I do want to make a shout-out and say thanks to the following people for their help and dedication in deep cleaning our Lodge from top to bottom. Daylene Johnson, Troy Young, Gloria Werber, Kim Hickman, Tom Chambers, Steve Boyd, Kim Gremling, Phil Crespin. It has been more than appreciated. And yes, we have maintained more than the 6 foot distancing.

Lastly, I would like to say that I pray that you all are healthy and not affected by this virus. I hope to see you all soon.

Sincerely, Paul Schmeisser
Exalted Ruler

Taken From Grand Lodge Statutes: Section 16.040

The Club shall be managed by one of three methods. The Lodge By-Laws will specify the option. Our managing body consists of the Exalted Ruler, Leading Knight, Loyal Knight, Lecturing Knight and the five Trustees. Some of the duties of the managing body (House Committee) include:

- This committee as a whole is responsible for the operations of the Club and Social Parlor of the Lodge.
- Present a budget to the Lodge Floor that must be voted on and approved by the last meeting in April each year.
- Responsible for purchasing and pricing of items to maintain compliance with the approved annual budget
- Hold at least one meeting a month that is generally open to the membership with the exception of disciplinary discussion and actions.
- Closed sessions can be called for with a majority vote but should be used sparingly for employment, discipline and pricing of goods. Voting must be done in an open session.

Rebuilding America, Rebuilding our Lodge

The COVID19 virus is re-writing the way that many social activities will be handled, at least short term.

We believe recovery will be slow. We also believe it will take all of us pulling together and supporting our communities and Lodge if we hope to adopt and survive. Our Lodge will need your participation along with your support and team work as we start to re-open and regain our position within the community. As we begin to move forward, please join us. Become an active Member within our Lodge and our community. Together, we will overcome this.

call our Lodge Exalted Ruler for more information.

WAYNES WORLD

So, I'm sitting here, in front of my laptop, on my bed, in my pajamas. Now that you have that image firmly implanted in your mind, I'd like you to make one change, my pajamas are Neither pink NOR lacy!

Now, while I understand that in many of your hearts and minds it's hard to think of me as anything other than a sex symbol, for now, just consider me "essential personnel".

See, I'm hoping that by putting some of this nonsense in our newsletter I can, even if only for a moment, bring a smile to your faces and get each of you to count your blessings instead of your sheets of toilet paper!

I also have a favor to ask each of you and everyone each of us loves and cares for, Please, Please, PLEASE! Stay safe, Stay smart, and Stay healthy! I'm going to be arrogant and consider this request granted in advance.

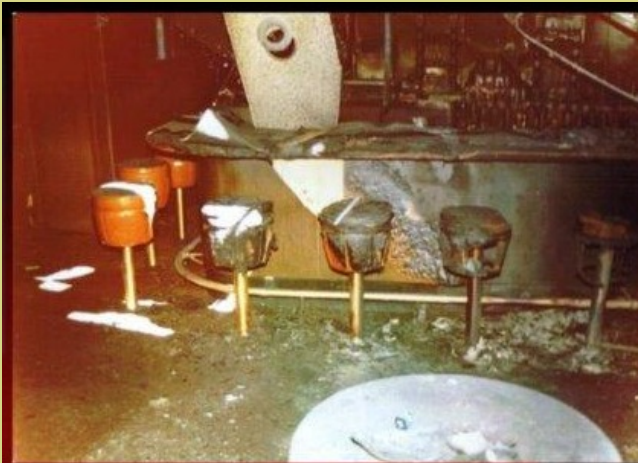

Well, I suddenly feel a need to put on a robe, and maybe a couple layers of winter clothing. So let THAT picture replace that image I gave you earlier and we'll talk again next month!

Celebrating our 50th Anniversary... Do You Remember?

Through the history of our Lodge, we have pulled together to overcome adversity when ever we are called upon to do so. Probably one of the most trying events we have experienced was the Fire June 28, 1975.

We had moved from East Lake to a warehouse location just east of Irma Drive on 112th Ave. It was a Saturday night and everyone closed up as normal. Shortly after the Club closed, a fire burst out in the bar area. It spread very quickly and left a lot of damage.

Northglenn Elks Lodge Fire

Date:

The bar area after the fire (above) and before (right) pictured here.

The Piano Bar (lower right) was completely destroyed as well.

They thought that the fire may have been arson due to the temperature and speed that it spread. This was never proven and the actual cause was not determined. Members pulled together and utilized their skillsets to help rebuild our home. We worked hand in hand with our vendors and we were open again within 6 months. This remained our home until 1983 when we moved into the building we currently call home. Westminster Lodge opened their upstairs bar room for our meetings while the rebuilding was taking place.

This sign currently hangs above the entry way to the dining room. It should not only serve as a reminder of a catastrophic event for our Lodge, but more importantly, a reminder of a membership that pulled together. A membership that overcame a hardship by becoming united as a Lodge, stronger as a family and respected each other. Without this, we would not be here today to celebrate 50 years.
