EXALTED RULER'S MESSAGE

FINALLY!!! For those who don't know, our Lodge is finally open. Limited hours though, 4pm to close. The kitchen has a new menu and is open once again. Come on down and enjoy a cold one with your dinner. So far there's been only a handful of officers that have volunteered to help in the kitchen. Everybody is more than welcome to pick up an evening to cook a very simple menu.

As of this writing, all social gaming is still not permitted according to the governor. From what I understand, that could possibly change as of June 17th including the amount of people allowed indoors. It's getting closer to being back to normal. And once that happens, I am planning for a grand reopening bash. Keep your eyes and ears open for further information.

We are continuing with our house/board meetings on the second and fourth Thursdays of the month. Again, all dates posted in the banner are tentative only.

Thanks for all the understanding and support during this time. As always, Stay safe and stay healthy.

Sincerely, Paul Schmeisser
Exalted Ruler

Secretary's Letter

Greetings from Your Lodge. We are back!! The Lodge got a new look while you were gone. We have some amazing Elks' members and Ladies that planted flowers in the front and side yard and it all looks great!! Members and their guests have been busy painting, cleaning the carpets, cleaning the kitchen, cleaning everything within eyesight they could. Wow! What a nice transformation. The tables and chairs have been set with CDC guidelines and must not be moved and please there is Sanitizing spray and paper towels for you to wipe down your area before you leave! Masks must be worn when entering the Lodge and while you are moving around the Lodge. You may remove your mask while seated. Please help us maintain the rules set forth from CDC for our Lodge so we can remain open. The Lodge has a new menu for your enjoyment, come on down and give us a try. We are serving food daily. We know these changes can be hard for some and we will are not the same as before this pandemic arrived, but please with your support and help we will survive and get through this!

To our friends, we are still here, waiting for you to experience your new Lodge, so please come on over and give us a try. We miss you and hope to see you all soon!

With Warm Regards, I am,
Tommy Lee Chambers, PDDGER

Elk of the Month

The Elk of the Month for July is someone we don't often see at the Lodge, but he is active working for the Northglenn Elks Bowling League as League President and works several activities on the Tournament. He is a second generation Elk and is willing to help out when asked. Congratulations and Thank You **Jeff Hubbard**! Our Elk of the Month for July.

Volunteer Of the Month

If you look around the Lodge as we progress through the pandemic, there are a few faces that you can always count on to pick up the ball and help out. This month we would like to recognize a person that has been here helping to keep our Lodge beautiful. She has been working on the landscape around our Elk in front of the building along with several other Activities. Thank You **Connie Ebbesen**, for all that you do. Your help in keeping our Lodge running is greatly appreciated!!

Update from the Northglenn Elks on Coronavirus

This message is coming to you as of June 16, 2020.

Remember, your safety is our highest priority. We will continue to follow the instructions and guidelines outlined by our government officials. If you have any questions or concerns for our Lodge, please contact Tom Chambers during his current hours of operation. Thank you and please, be safe and stay healthy!

Why wear a Mask??

According to the available information, we are able to help prevent the spread of COVID19 by up to 85% by wearing masks, washing our hands and maintaining social distancing. While there are several individuals that might think they most likely would not get it and if they did, they would not be severely impacted, I would like to ask you to think about our other members. **The average age of membership for our Lodge is about 67 years old.** Many of us have family and good friends that fall in the vulnerable category due to their health or age. By wearing a mask, you are helping to provide a safe environment for every one of our members to enjoy. It is a courtesy that I believe each of us would be willing to make. I certainly would not want to be the person that contracted the virus and then spread it to several of our family members, Lodge members or guests. The impact would affect several of our closest friends to say the least. **This simple gesture will help to improve the safe environment efforts we have put in place and simply shows that we value our family and friends.**

Let me be the first to say Thank You for your consideration and your efforts to protect my health.

A Tribute to the Order

The following is from the pen of Fred Harper, Lynchburg, VA, Lodge No. 321, Past Grand Exalted Ruler

General Character of the Order

"The Order of Elks is an organization of American citizens who love their country and desire to preserve its cherished institutions; who love their fellow man and seek to promote his well being; and who love the joyousness of life and endeavor to contribute to it, as well as to share it. "It therefore seeks to draw into its fraternal circle only those who delight in wholesome association with congenial companions; who are deeply imbued with the spirit of patriotic loyalty and devotion; who recognize the obligations of human brotherhood; and who desire, without the fanfare of the trumpets of publicity, to share with their associates in the endeavor to feed the hungry, to shelter the homeless, to relieve those in distress, and to prove themselves true friends to all in need."

We fully expect to put together our Food Drive in November which may include additional locations. Our goal is to continue our Christmas Basket Program as expected.

We want to thank all those who have helped with the Food Basket program and we will post more information as it becomes available.

Rovin' Corks 2020 Camping Schedule

The Rovin' Corks members welcome anyone who would like to join us. We do have fun times and really great food! Tents and all rig sizes and types are fine in most locations. Please call me, Cheri Bossio, 303-452-3034 to sign up or for any additional information you may need. We always welcome new members!

Because of Covid-19 concerns we may not have potlucks this year, but current information on each camp out is e-mailed to attendees before the date of the camp out. Generally, we have a potluck breakfast at 10:00 a.m. on Saturday morning and a "bring your own meat and a dish to share" dinner on Saturday evening. Other meals are "on your own". Some of us arrive a day or two early and stay a day or two longer.

I'm sorry this information is so late coming out, but with all the pandemic issues and campground closures, etc., nothing has really been definite.

**At this time, masks MUST be worn if you are within 6 feet of another person.
We must follow the guidelines of each campground.**

The first two camp outs were cancelled due to the pandemic.

The campouts are listed below. If you are interested in attending one, please call me.

Parrish Ranch just opened June 1, and we are going there for the weekend of June 13.

Fourth of July weekend, July 4-7. Parrish Ranch (Longmont) – We have reserved the main campground. I need to know if you are coming and your arrival and departure dates. We can arrive Thursday after noon and depart Monday before noon. If you let me know you want to go, I will send you details.

Weekend of July 25. KOA Lakeside, Fort Collins - A block of sites have been reserved for us. The block of sites is in two rows of back in sites and we will be kind of "butt" to "butt". If you want to go, please let me know, then call the campground, 970-484-9880, to confirm a site. Be sure to reference my name and/or Northglenn Elks so that the person taking your reservation knows that they already have a block of sites and they include you in that block. You will be asked to pay one night to reserve the site.

Weekend of August 22, Parrish Ranch (Longmont) – We have reserved the main campground and I need to know if you are coming and your arrival and departure dates. We can arrive Thursday after noon and depart Monday before noon. Again, if you want to go, let me know and I will give you details.

Weekend of September 12, Cherry Creek State Park – You must make your own reservations through Reserve America at 800-244-5613 or on line at cpwshop.com. We are in the Pioneer Loop. Please let me know if you will be there, along with your arrival and departure dates and your Site number.

Weekend of September 26, St. Vrain State Park – You must make your own reservations through Reserve America at 800-244-5613 or on line at cpwshop.com. We are in the Coot Loop. Please let me know if you will be there, along with your arrival and departure dates and your Site number.

Thank you! We'd love to have you join us!

Greetings from your Lodge Historian, Celebrating our 50th Anniversary

We have a group of Ladies and men helping to go thru our Lodge albums of memories and pictures so we can produce a couple of CD's of memories. We are moving along nicely.

To our Lodge PER's, remember I need a picture of your mascot to include on the CD and a favorite song and saying from Your year to include.

To our Lodge Past Auxiliary Presidents, if your book/pictures are not at the Lodge please give them to Jan Chambers, PDDGER or to our Lodge Secretary, Tommy Lee Chambers, PDDGER, along with a saying and favorite song from Your year as President.

I am so honored to be trusted along with these wonderful people to produce for you CD's and a 50 Year Lodge Program.

See you all soon! Happy 50th Anniversary to our Lodge and amazing members and guests. Be Safe and Healthy! God Bless! Thanks for the memories!!

Celebrating our 50th Anniversary... Flag Day

The Northglenn Lodge has a proud history of performing the Flag Day Service. Most could not attend this year so we included the history of the Flag as part of this month's Banner.

(Taken from the **Flag Day Service; B.P.O.E. Rituals of Special Services**). From Left to Right:

1. In 1775 the **Pine Tree Flag** was adopted for all colonial vessels.
2. The Southern colonies carried the **Snake Flag** from 1776 to 1777
3. In 1775 the Continental Congress appointed a committee to consider a design of 13 alternating stripes of red and white with an azure field in the upper corner bearing the red cross of St. George. This flag was hoisted to the masthead on the flagship "Alfred" on December 3, 1775 and one month later it was raised over the headquarters of General Washington at Cambridge Massachusetts.
4. This flag was called "**The Continental Colors**" and the "**Grand Union**". While this was never used by Continental Land Forces, the Navy used it exclusively and was the first American Flag to receive a salute of honor. Congress provided the following on June 14, 1777: *"That the Flag of the United States be thirteen stripes of alternating red and white; and that the union be thirteen stars, white on a blue field, representing a new constellation."*
5. It is generally believed that in May or June of 1776 a committee commissioned Betsy Ross to make a flag from a rough design they left with her. This flag first flew at Fort Stanwix near the city of Rome New York, on August 3, 1777.
The original thirteen Stars and Stripes represented the original thirteen colonies. In 1795 two additional Stars and Stripes were added to represent admission to the Union of Vermont and Kentucky. Under this banner of fifteen Stars and Stripes was fought the War of 1812. It was the sight of it flying over Fort McHenry, on September 14, 1814, that inspired Francis Scott Key to write what was to become our national anthem, "**The Star-Spangled Banner.**"
6. The Congress on April 14, 1818, adopted a resolution that on and after July 4, 1818, the number of stripes should be thirteen and that the blue field should carry one star for each of the twenty states in the union and that a new star should be added for each state thereafter admitted.
7. Since 1818, there has been no change in the Flag design except that twenty-eight new stars were added before July 4, 1912, and this Flag of forty-eight stars flew over this nation for forty-seven years until just before the Vietnam War.
8. On July 4, 1959, a star was added for Alaska, our first non-connected state and a year later, Hawaii, our island state added a fiftieth star. Our present Flag — fifty stars and thirteen stripes. It is accompanied by the POW-MIA Flag to recognize the plight and demise of a special group of our Armed Services, those who were prisoners of war or still remain missing in action.
