EXALTED RULER'S MESSAGE

Hey Northglenn. Well, at the time of this printing, we have been open going on 6 weeks. And it has gone fairly decently. Our restaurant and bar have been doing well and, it seems the pool tables have awakened from a long slumber.

We had a great turn out for our first post quarantine Independence Day bash. Thanks to all that came down and made it a success. We had a little bit of rain, but it didn't dampen the spirits.

The constant changing of these restrictions has made it quite difficult to plan many of the events at the lodge. We will continue to do our best to get these events up and running. Keep your eyes peeled on Facebook or call down to the Lodge for updated information around things to come. As a reminder the dates in the banner are tentative and subject to change as our community changes.

Thanks for all the understanding, support and cooperation during these times. Remember, the Lodge is for you, the members.

As always, stay safe and stay healthy.

Sincerely, Paul Schmeisser
Exalted Ruler

Secretary's Letter

Hello all and welcome back to your Lodge! It been nice to be open and to be able to visit with all who are visiting the Lodge. Our hope is for everyone to remain healthy, especially when visiting the Lodge, please follow all guidelines to include: Sign in when you come in the front door, wear your mask, sanitizing your hands, not standing around and visiting, maintain social distancing and clean up and sanitize your area you were using, including tables, chairs and any other places you may have come in contact with before you leave. You must wear a mask to order a drink at the bar, or you will Not be served. There is hand sanitizer, cleaner and paper towels available when you come in the front door.

We will have and Open House Welcome Back Dinner on Saturday, August 1, 2020 for our members and guests (see the Calendar for details). Events will be possibly added and canceled. Tri-County is constantly making changes to the rules dependent on data received from local authorities. Please watch the Banner and Northglenn Elks FaceBook page for info on upcoming events as there may be some last minutes changes. We look forward to getting a new normal and planning our events for the rest of the year as we work hard to keep the Lodge a safe place for you to visit.

Elk of the Month

The selection for Elk of the month is someone that many of you know from behind the bar but her efforts do not stop there. **Gloria Werber** can be found working Bingo on most every Saturday and Monday. She has also recently received her Bingo License so she can assist further. Thank you Gloria for everything you do for our Lodge!

Stephen Boyd
Leading Knight

Volunteer Of the Month

This month's volunteer has been a dear friend to many of us. Always ready with a hug or a smile, her laugh has lit up more than one lodge event. If you ever needed help all you had to do is call and she came charging in to save many a day. She has helped with funeral dinners, the haunted house, decorating and most recently putting together our 50th anniversary books, going through the hundreds of pictures because she literally knows everyone. She waged war against cancer several times and sadly we have just lost this bright light. **Miss Penni-Bell Cornell** is our volunteer for this month, she will be dearly missed.

Update from the Northglenn Elks on Coronavirus

This message is coming to you as of July 20, 2020.

Remember, your safety is our highest priority. We will continue to follow the instructions and guidelines outlined by our government officials. If you have any questions or concerns for our Lodge, please contact Tom Chambers during his current hours of operation. Thank you and please, be safe and stay healthy!

Colorado has stated that it is mandatory that masks be worn in all public places. What this means to us is that Masks must be worn while not seated at your table. If you are up to order a drink or food, go to the restrooms or visit the patio, you must wear a mask. As long as this is in effect, in accordance to the state mandate, we will not serve you unless you are wearing a mask while visiting the club.

We continue to try to plan activities at the Lodge with the full understanding and expectation that if the status changes within the state or Tri-County community, we may need to update or cancel our activities. Please continue to check with the Club (303-452-1644) or watch Facebook and our Web page for updated information.

The Northglenn Lodge has always been here to assist our membership and our communities when ever possible. If you have ideas about how we can get involved, or know of someone in need, please contact Tom Chambers or Paul Schmeisser.

Thank you and stay Safe!!

Did You Know????

"On February 16, 1868, the committee reported, recommending that the 'Jolly Corks' be merged into the Benevolent and Protective Order of Elks and recommendation was adopted by a vote of 8 to 7." Their choice was the name "Buffalo" or the name "Elk".

"The original vote was a tie with Charles A. Vivian being called upon to cast the deciding vote from the chair."

Here's To A Great Job!!

This year has been challenging on several fronts. All you need to do is turn on the news and you will be overwhelmed. It is important to remember that our Lodges are here for our members and our communities. The Northglenn Officers, members and their families have done a great job of stepping up and remaining strong. Our Club has reopened with many new strategies to maintain our members and guests health and wellness. Our Officers and Volunteers have helped to bartend and to operate the kitchen daily providing a safe friendly place to enjoy a meal and beverage getting out for a short time. We have participated in a food drive helping the local food banks within our community and we stand ready to help when needed or requested.

I want to extend a thank you to all of our Officers, Members and guests who have worked to provide a friendly place to relax and enjoy our familiar friends and families. The world outside is always changing and evolving but a friendly face and a helping hand is always within reach. Thank you for all that you do!

Rovin' Corks 2020 Camping Schedule

The Rovin' Corks members welcome anyone who would like to join us. We do have fun times and really great food! Tents and all rig sizes and types are fine in most locations. Please call me, Cheri Bossio, 303-452-3034 to sign up or for any additional information you may need. We always welcome new members!

Because of Covid-19 concerns we may not have potlucks this year, but current information on each camp out is e-mailed to attendees before the date of the camp out. Generally, we have a potluck breakfast at 10:00 a.m. on Saturday morning and a "bring your own meat and a dish to share" dinner on Saturday evening. Other meals are "on your own". Some of us arrive a day or two early and stay a day or two longer.

I'm sorry this information is so late coming out, but with all the pandemic issues and campground closures, etc., nothing has really been definite.

At this time, masks MUST be worn if you are within 6 feet of another person.

We must follow the guidelines of each campground.

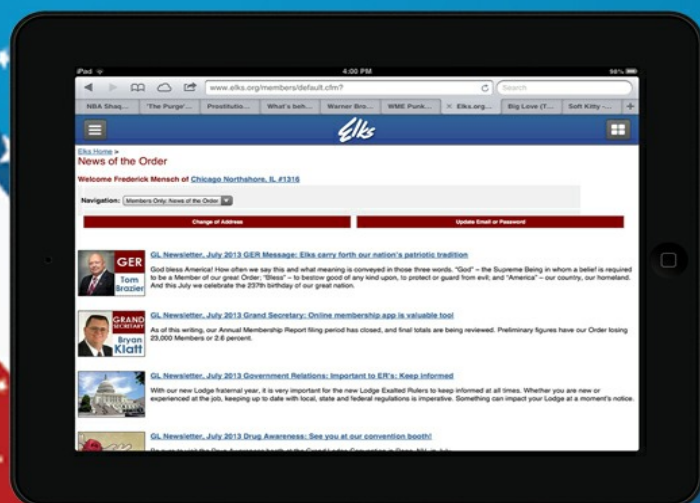

Weekend of August 22, Parrish Ranch (Longmont) – We have reserved the main campground and I need to know if you are coming and your arrival and departure dates. We can arrive Thursday after noon and depart Monday before noon. Again, if you want to go, let me know and I will give you details.

Weekend of September 12, Cherry Creek State Park – You must make your own reservations through Reserve America at 800-244-5613 or on line at cpwshop.com. We are in the Pioneer Loop. Please let me know if you will be there, along with your arrival and departure dates and your Site number.

Weekend of September 26, St. Vrain State Park – You must make your own reservations through Reserve America at 800-244-5613 or on line at cpwshop.com. We are in the Coot Loop. Please let me know if you will be there, along with your arrival and departure dates and your Site number.

Thank you! We'd love to have you join us!

Greetings from your Lodge Historian, Celebrating our 50th Anniversary

Hello all! We are so excited to have you all come and join us in our Celebration of Northglenn Elks Lodge's 50th Anniversary in September. We have an amazing group of Ladies and Men who are helping put together groups of pictures from our older picture albums.

To our Lodge PER's, I need a picture of your mascot to include on the CD and pictures if we do not already have one and/or pictures.

To our Past Auxiliary Presidents, if you have not done so yet, please bring your pictures/book to the Lodge so we can add them to our CD.

You can bring them to the Lodge and leave them with Tommy Lee Chambers, PDD, our Lodge Secretary. If this is not possible, give me a call and let's see if we can't have you either send them to me or email me copies. Let's talk!!

I am honored to be trusted along with these wonderful people to produce your CD and 50th Year Program.

See you all soon!! Stay safe and healthy. God Bless! Thanks for the memories!!

Americanism

WHY THE AMERICAN FLAG IS FOLDED 13 TIMES

Have you ever wondered why the flag of the United States is folded 13 times when its lowered or when it is folded and handed to the widow at the burial of a veteran? Here is the meaning of each of these folds.

The first fold of our flag is a symbol of life.

The second fold is a symbol of our belief in eternal life.

The third fold is made in honor and remembrance of the veterans departing our ranks who gave a portion of their lives for the defense of our country to attain peace throughout the world.

The fourth fold represents our weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in times of war for his divine guidance

The fifth fold is a tribute to our country, for in the words of Stephen Decatur, Our Country, in dealing with other countries may she always be right; but it is still our country right or wrong".

The sixth fold is for where our hearts lie. It is with our heart that we pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible with Liberty and Justice for all.

The seventh fold is tribute to our Armed Forces. For it is through the Armed Forces that we protect our country and her flag against all her enemies, whether they be found within or without the boundaries of our republic.

The eighth is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day, and to honor the mother, for whom it flies on Mother's Day.

The ninth fold is a tribute to womanhood; for it has been through their faith, their love, loyalty and devotion that the character of the men and women who have made this country great has been molded.

The tenth fold is a tribute to the father, for he, too, has given his sons and daughters for the defense of our country since they were first born.

The eleventh fold, in the eyes of a Hebrew citizen represents the lower portion of the seal of King David and King Solomon, and glorifies in their eyes, the God of Abraham, Isaac, and Jacob.

The twelfth fold, in the eyes of a Christian citizen, represents an emblem of eternity and glorifies, in their eyes, God the Father, the Son, and Holy Spirit. When the flag is completely folded, the stars are uppermost, reminding us of our nations motto, "In God We Trust".

After the flag is completely folded and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the soldiers who served under General George Washington, and the sailors and marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed Forces of the United States, preserving for us the rights, privileges, and freedoms we enjoy today.

The next time you see a flag ceremony honoring someone that has served our country, either in the Armed Forces or in our civilian services such as the Police Force or Fire Department, keep in mind all the important reasons behind each and every movement.

They have paid the ultimate sacrifice for all of us by honoring our flag and our Country.
