## EXALTED RULER'S MESSAGE

Hey everybody. August showed quite a bit of support from our members. Lots of stuff has gone on here at the Lodge. First of all, I want to thank everyone that turned out for the Luau that we had. Good food, good music, good drinks and fun games. Our New Beginnings dinner was just as fun with a free dinner. It was great seeing our members coming out to have a good time at our Lodge. Please check the banner for more events happening in September. Remember, all dates in the banner are tentative depending upon the restrictions.

Finally, I would like to make a statement about misguided rumors. There has been a lot of chatter going on that our Lodge has been fined several times by authorities. I'm here to tell you that all of them are unfounded. If you have any question based upon things you've heard do not hesitate to call me or Tom Chambers. If there was any issue, we would be the first to know.

Keep in mind that our Lodge is working closely with Tri-County Health Department to ensure that our members stay safe and healthy during this tumultuous time.

As always, stay safe and stay healthy.

Sincerely, Paul Schmeisser  
Exalted Ruler

### Secretary's Letter

Hello all and again we welcome you back to your Lodge! It been nice to be open and to be able to visit with all who are visiting the Lodge. Our hope is for everyone to remain healthy, especially when visiting the Lodge, please follow all guidelines to include: Wear your mask, sanitizing your hands, not standing around and visiting, maintain social distancing and clean up and sanitize your area you were using, including tables, chairs and any other places you may have came in contact with before you leave. You must wear a mask to order a drink at the bar, or you will Not be served. There is hand sanitizer, cleaner and paper towels available when you come in the front door.

Well we had our first Official opening with our Luau at the end of July and then the New Beginnings Dinner for all members. There were awards given out at the New Beginnings Dinner (normally we would have given out at Officer Installation) to the following: Shanna Rondo, Elks of the Year; Veteran Service Volunteer of the Year to PER Kathy Stark; and Elks Officer of the Year to ER Paul Schmeisser who also received an award from the Boy Scouts.

September 19 is our Formal 50<sup>th</sup> Anniversary Dinner and Dance, cost and time are posted in this Banner. So come on down and enjoy the party.

We do have the kitchen open every day we just ask you to remember the cooks are all volunteers and we do not do fast food, but we do good food as fast as we can, sit back have a drink and relax.

## Elk of the Month

The Elk of the Month for September is a familiar name for that has been around from the beginning. He is very active in the Lodge helping out with Bingo on a regular basis. Thank you **PER Pat O'Connell** for all that you do for our Lodge!

Leading Knight

## Volunteer Of the Month

This month we have not one but three volunteers, siblings who have been quite literally born and raised at our Lodge. They come through our doors ready to help in anyway, never say no to the requests made of them, putting in the heavy grunt work we all would rather someone else do. During the shut down they cleaned, did yard work, painted and kept us all motivated with their smiles and good attitudes. So thank you to **Patrick, Shane and Sioban Baswell** for all they have done.

Patrick is also scheduled to ship out for Army boot camp at the end of August provided there are no further delays. Thanks for your service Patrick we'll be praying for you.

## Special Thank You!

I would like to send out a special thanks to an associate member of our Lodge. This person jumped in without even being asked and helped us set up for our luau. He gave up time with his friends that he brought in to help move furniture and set up the canopy and he helped clean up after the party ended. Thanks to Steve Dicamillo associate member from Cripple creek.

**Did You Know????**

In the Spring and Summer of 1969, Jim Steers and a group of men thought the new city of Northglenn needed an Elks Club. After a few preliminary meetings at Jim Steers' home, their first official organizational meeting was held on September 25, 1969 at the Northglenn Mall Community Room. Besides the Northglenn members there were a number of State Elks Officers and some members from other Lodges to help get the Lodge started. Interesting? You bet, we will have all our Archive Books available for you to read and look through at our 50<sup>th</sup> Anniversary Dinner and Dance or any other time you may be interested. ## Celebrating our 50<sup>th</sup> Anniversary - Paying our Mortgage

It was in the late 1980's and the Northglenn Elks had recently moved into the building we currently occupy on Irma Drive. Excitement was still high due to the fact that we finally had our own building. It had been decided that we would sell notes to our members to pay off the mortgage. The notes would pay 10% interest annually. At that time, it was less than we would pay a bank and much more than anyone would get through a conventional investment. We would pay the interest annually per the agreement between the Lodge and the members holding the notes. Soon after, the Lodge fell upon lean times and by the early 90's it had become necessary to sell additional notes to pay the interest due on the currently held notes.

This story starts in 1993 when newly installed Exalted Ruler Dennis Bloch was approached with the documents to sell additional notes against the building. When Dennis inquired deeper, he found that we had been selling notes to pay the interest that was due on the currently held notes. Instead of paying the notes off reducing our burden, we were selling more notes causing us to go deeper in debt. Dennis refused to sign the documents and began to search for a better way pushing us down a different path.

Dennis went to the Auxiliary and then President (PER) Teri Huffman and her Officers. They understood the gravity of the situation and knew that our Lodge could not survive if we continued as we were. They agreed to conduct Bingo Sessions to help raise money that was to go directly towards the existing notes and interest. The Lodge Officers began to operate the kitchen with all proceeds going towards our home. Several events were set up with the proceeds going to the Lodge to help make our home our own. Through the years we held several raffles and events and finally, in 1999 we were able to host a mortgage burning ceremony. The efforts had accomplished our goal and paid all notes and interest as the Lodge owned the building we currently occupy.

***Northglenn Rocks***

Our early history is full of examples of our Members and the Auxiliary pulling together to overcome adversity. The Auxiliary has since folded into the membership and many of those who supported our Lodge through the Auxiliary are now members or family members that still volunteer for many of today's activities. We should never forget the events that brought our Lodge and Auxiliary together to restore our financial stability.
