A BUSY MONTH AT THE CLUB

This month we experienced two failures resulting in major changes behind the bar. The plumbing rework caused the Club to be closed until repaired and the Cooler finally gave out and we had to make room for a new one.

EXALTED RULER'S MESSAGE

Hey Northglenn.

Happy November Northglenn Elks. Another month has come and gone. October showed us a great time at our Lodge. Our Oktoberfest celebration was an awesome success.

At the time of this writing, you guessed it, the COVID restrictions changed yet again. The wearing of masks is also mandatory including when outdoors. Also, we must take the amount of people gathering at one table from 10 down to 5 I know we only had 8, but regardless, it's now 5. This is something that we all have to do to remain open. As always, the kitchen will be open from 4-8. If you have any ideas as to a particular meal, please let Aly or I know.

Unless the restrictions change again, we will have several things planned for November. Our annual Charity ball, and the decorating for our Lodge lighting, (all are welcome and encouraged to attend and help out), and Lodge lighting. Keep an eye out on the November calendar for upcoming events and dates and changes.

As always, stay healthy and stay safe.

Sincerely, Paul Schmeisser | Exalted Ruler

Secretary's Letter

Welcome to your Lodge! We are happy you are here enjoying your Lodge while you support it!!

We are starting one of the busiest times of the year. We start with CEA Fall Quarterly November 5,6,7 in Grand Junction. Next is Charity Ball on Saturday, November 14th. Come join us for dinner and dancing and vote for your favorite Charity Queen. Craft Show had been canceled, with Social Distancing rules of COVID, we could not come up with a plan to keep everyone involved safe. Thanksgiving Day the Lodge will be Closed.

The first Saturday in December is our annual Lodge Lighting. The first Sunday in December is our Memorial Service.

This is your Lodge, and we want your help, ideas, and opinions. This Lodge does not run with just a few volunteers, we need each and every one of you to help us. Remember we are a Lodge of Volunteers!! Don't forget to tip your volunteer Bartenders, Wait Staff and cooks, they are all volunteers as well.

We are working the best we can to keep up with each new normal while the rules change constantly. We look forward to seeing you at the Lodge.

With Warm Regards, I am,
Tommy Lee Chambers, PDDGER

Elks National Foundation

Christmas Basket Program

This year has presented many challenges but we believe the community needs this program more than ever. With that in mind, there will be changes in the way we collect food this year. At the time of this printing, we are unsure if there will be an opportunity to conduct food drives at local grocery stores. Please watch for more information on possible food drop off drives similar to the one we conducted for food banks earlier this year.

Your Donations are more important than ever.

We appreciate your donations and you can drop them off at the Lodge anytime during normal business hours. If you need to drop off in the morning, contact Tom Chambers for possible options. Thank you for all of your support!

Did you Know...

Many of our members do not realize all of the activities and events that our Lodge has to offer. Did you know that we have a Bowling League? We also attend and sponsor Bowling Tournaments throughout the region.

Did you know that we have a Camping Committee? The Rovin' Corks take many trips throughout the season and you are always invited.

Did you know that we are involved with several Community and Charitable Activities? The list continues to grow and change. From Angels & Heroes to hosting Benefits, we are very involved. If you are interested in any activities we currently support or would like to get involved with something we have not yet engaged in, talk to an Officer. Get Involved, participate in your Lodge!

We still have many items for sale to commemorate our 50th ie: mugs, coffee cups, pins, 50-year Memory book, thumb drives loaded with pictures from over 50 years and shirts. All proceeds go to the Lodge.

See you all soon!! Stay safe and healthy.

God Bless! Thanks for the memories!!

Northglenn Elks #2438 Historian

What do the Colors of the Flag Mean?

From the book *"Our Flag"* published in 1989 by the House of Representatives...

"On July 4, 1776, the Continental Congress passed a resolution authorizing a committee to devise a seal for the United States of America. This mission, designed to reflect the Founding Fathers' beliefs, values, and sovereignty of the new Nation, did not become a reality until June 20, 1782. In heraldic devices, such as seals, each element has a specific meaning. Even colors have specific meanings. The colors red, white, and blue **did not** have meanings for **The Stars and Stripes** when it was adopted in 1777. However, the colors in the Great Seal **did** have specific meanings. Charles Thompson, Secretary of the Continental Congress, reporting to Congress on the Seal, stated:

"The colors of the pales (the vertical stripes) are those used in the flag of the United States of America; White signifies purity and innocence, Red, hardiness & valour, and Blue, the color of the Chief (the broad band above the stripes) signifies vigilance, perseverance & justice."

Also, this from a book about the flag published in 1977 by the House of Representatives...

"The star is a symbol of the heavens and the divine goal to which man has aspired from time immemorial; the stripe is symbolic of the rays of light emanating from the sun."

The quote below concerning **gold fringe on the Flag** is from the book *"So Proudly We Hail, The History of the United States Flag"* Smithsonian Institute Press 1981, by William R. Furlong and Byron McCandless. "The placing of a fringe on Our Flag is optional with the person of organization, and no Act of Congress or Executive Order either prohibits the practice, according to the Institute of Heraldry. Fringe is used on indoor flags only, as fringe on flags on outdoor flags would deteriorate rapidly. The fringe on a Flag is considered and 'honorable enrichment only', and its official use by the US Army dates from 1895.. A 1925 Attorney General's Opinion states: 'the fringe does not appear to be regarded as an integral part of the Flag, and its presence cannot be said to constitute an unauthorized addition to the design prescribed by statute. An external fringe is to be distinguished from letters, words, or emblematic designs printed or superimposed upon the body of the flag itself. Under law, such additions might be open to objection as unauthorized; but the same is not necessarily true of the fringe.'"

The gold trim is generally used on ceremonial indoor flags that are used for special services and is believed to have been first used in a military setting.
