EXALTED RULER'S MESSAGE

Happy New Year Northglenn. Hello 2021 and good riddance 2020!!! Here is hoping 2021 is a much better and enjoyable year.

Even though we are still under restrictions, we are going to continue to plan for our events. Once our restriction level has gone down a notch, we will be immediately holding our postponed Memorial Service.

We had an excellent Lodge lighting this year with a little bit of a twist. In addition to our lighting of the front of the Lodge, we lit up the backyard as well. With three fire pits, lighted Christmas trees and Christmas music. It was quite enjoyable.

With the uncertainty of everything going on, keep your eye on our website and Facebook page for up-to-date news as to the happenings at the Lodge. We hope to see you soon!!

Again, as always, stay healthy and stay safe.

Sincerely, Paul Schmeisser
Exalted Ruler

Secretary's Letter

HAPPY 2021, this is going to be a great New Year!!! We all hope you had a wonderful and Merry Christmas. Thank you everyone who helped with the food baskets. Our members really stepped up and showed that ELKS CARE, ELKS SHARE. I am writing this with the hope our Lodge will be able to have a New Year's Eve Party and we will all had a great time together. I do need your help, dues notices are out and if you want an EARLY BIRD CARD your dues **must** be paid by February 1st, 2021. Also, if you know of member who has not received their dues notice, please have them call me, I have a lot of outdated addresses for members. If you can help with this it will be very much appreciated.

We also have a new committee to see what we can do to improve our image and get members back and get new ones interested in our Lodge. If you have any suggestions, please let me or one of our Officers know.

COVID has changed almost daily and we are trying our best to keep up with these changes! I would like to Thank all the Officers and Committee Chairs who have worked hard to make each and every event happen. Sometimes they have to cancel at the last minute because Tri-County changes rules daily. We have had to cancel many events and activities this year, therefore we ask you to watch bulletin board at the Lodge, Web page and Facebook for changes.

This is a very busy time for our Lodge, even with COVID the Lodge will still be out there helping our community.

We know these changes can be hard for some and are not the same as before! Tables and chairs are NOT to be moved and be sure to clean up your area when you leave. Masks must be worn unless you are sitting down. Please help us maintain the rules set forth by CDC so our Lodge will remain open.

We miss you and hope to see you all soon!!

With Warm Regards, I am,

Tommy Lee Chambers, PDDGER

Elk of the Month

Elk of the month for January has been a vital part of our Lodge for many years. She has taken the lead on our Christmas Food Baskets and continues to ensure we have a successful program each year. This year she made sure the baskets were up and running during all of the challenges COVID has presented. Thank you **Cathy Anderson** for all that you do for our Lodge.

Volunteer Of the Month

The selection for January is a hard working, energetic person that is always a pleasure to have around. She has been active and helping out with several activities most recently being decorating the Lodge and Veterans Ditty Bags. The entire family pitches in and reminds us of what it is to believe in the good that we can do. Thank you **Kim Pascoe**, and congratulations on being this months selection for Volunteer of the month.

IMPORTANT COVID INFORMATION

Adams County is struggling right now and we are facing a condition RED situation.

This means that indoor dining must stop!

It was decided at the Lodge meeting on November 19th that the board of directors would try to continue to operate within the guidelines provided by the State. At the meeting on December 10, we were forced to Close Monday thru Wednesday nights. The outside temps after dark dropped and we were not getting enough participation to continue to remain open those nights. We will continue to remain open Thursday thru Sunday and will re-evaluate the situation in 28 days.

You are the final Vote! If you continue to support us and work within the new guidelines, we will continue to work hard to provide a safe environment for you and your families. If we are unable to support this model of operation, we will be forced to close.

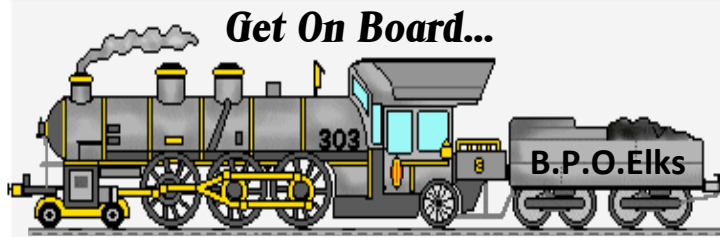

Dues Notices are Coming Your Way

Many of the Events that we look forward to each year have been canceled or postponed due to the Pandemic. We have missed events such as the Charity Ball, Children's Parties, Cowboy Ball and other celebrations that many of us look forward to on our Calendars. As the vaccine rolls out and conditions return to a more normal state, we will be re-instating the things we all know and love. Until then, remember that Charity is the primary function of our Organization and we continue to support our members and our community. When your dues notice comes in the mail, please do not hesitate to get your 2021-2022 Elks Membership Card so you can be part of the great recovery and all that we have to celebrate. We miss all of you and look forward to a safer time when we can enjoy each others friendship and company over a nice meal or a cold refreshment. See you at the Lodge!!

Elks National Foundation

Did you Know...

Army Engineers—Navy Seabees

An outstanding achievement of the Elks was the part they played in the recruiting campaign staged by the Army Crops of engineers and the Navy Construction Battalions. When for the first time the Army and Navy embarked on a joint campaign to obtain men skilled in construction. The Elks War Commission was asked by the Army and Navy to assist in this drive. The Elks was the only organization to participate in the campaign. The Lodges displayed so much enthusiasm and efficiency that the required numbers of Army Engineers and Navy Seabees were obtained three months ahead of schedule. A letter written on October 8, 1943 by J.A. Ulio, Major General, Adjutant General Since the B.P.O.E. was the only civilian organization actively supporting this campaign, It is entitled to full credit for the success obtained.
