EXALTED RULER'S MESSAGE

Stephen Boyd
Exalted Ruler

Hello to all the Northglenn Elks. I would like to say a huge thank you to P.E.R Paul Scheisser for all the hard work he did over the past year. I know it was a difficult year but he helped us make the best out of a bad situation. I would also like to thank all the people who helped keep the Lodge going over the past year. Thank you all for the confidence you placed in me and know I will do my best to continue to earn it. Thank you everyone who made sure that the installation of our new officers was a successful event. The motto for this year **"Putting our passion into action"** meaning that all the passion we as elks have for serving our community. This year is already moving forward and hopefully we will be returning to some semblance of normal. We have a lot of events planned for you this year and a lot of committees that could always use your support. I will always be available for suggestions and feedback. I know that with your help we can have a great year and come out of these difficult times.

Sincerely, Stephen Boyd
Exalted Ruler

Elk of the Month

This month I want to thank a special elk. She helped to power clean the Lodge a year ago when we had to close. Her children have also pitched in there as well. Recently she spent hours helping to make the ravioli for the sweetheart ball. She helped decorate for that event & spent the evening serving even as a past queen. Thank you Nichole Brown for all that you've done and all that you continue to do.

Troy Young

Volunteer Of the Month

You may not see the selection for this month's Volunteer of the Month working inside the Club often but she can be found working on with the bowling league and helping with the tournament. She is very busy during the month of April and we greatly appreciate all that she does to make our jobs easier. Congratulationa and thank you **Sarah Yost** for all that you do for our Lodge activities.

Daily Drawing

The daily drawing is a fun way to show your support of the club while entering in a chance to win the daily drawing pot.

How it works:

Each day when you stop by the Lodge, drop a quarter in the bucket and sign your name and Lodge number in the register. If your membership number is selected, and you signed in for the day, you win the pot!

This is based upon your honesty as we are not monitoring who signs the log and drops a quarter, so please, play fair!

See you at the Lodge!!

Did you Know...

Some have asked how the Lodge is governed. Briefly, when a Lodge is chartered, they agree to abide by the Constitution, Statutes and Rules of the Order. The charter includes the disposition of assets which includes furniture, funds in accounts, pictures, files, and other tangible items. It is important that we operate within these guidelines. If we do not, our charter can be revoked, and Grand Lodge would seize all of our assets. The Lodge can set rules Bylaws and House Rules within the for mentioned documents. The Club has been established in connection with the Lodge (without a Lodge, there is no club). The Lodge is managed by the Exalted Ruler, the three Knights and the Trustees. The financial part of the Lodge is over seen by the Board of Directors. The Board meets every other week and is generally open to the membership. Closed meetings may be required for discresonary discussions.

If you would like a more in depth explanation, feel free to get with me. I will get you a new Statutes, bylaws and a House Rules book.

Weekend of May 1, Fort Collins/KOA Lakeside, Fort Collins (full hookups)

We have a block of sites reserved under Northglenn Elks. In order to confirm a site, you would need to call them at 970-484-9880, give them your arrival and departure dates, and pay a deposit of around \$50, depending on your site. The deadline to do this is March 29.
