## EXALTED RULER'S MESSAGE

Hello to all the Northglenn Elks. Summers is here and I know all the cookouts and camping trips are being enjoyed. June was a busy month and July should be great for all.

I would like to thank everyone who made Flag day such a great success. I would also like to thank everyone who pitched in and helped for father's day. July should be interesting. I hope everyone enjoys the fourth and just know I will be doing my best to put the Northglenn Elks lodge #2438 in the best light I can at Grand lodge. I thank you all for giving me the opportunity to represent you. Get ready for the kids drive inn and in August, the kids pool party. Should be fun for kids of all ages. Keep your eyes open for other events from the committees of the Lodge.

"As a man changes his own nature, so does the attitude of the world change towards him. This is the divine mystery supreme. A wonderful thing it is and the source of our happiness. We need not wait to see what others do". Mahatma Gandi. The shortened quote "Be the change you wish to see in the world." We can be the change in the world and as an organization have had a great impact on our country. Thank you to everyone who is a part of this wonderful organization. Let's continue the great work to which this order is dedicated.

Sincerely, Stephen Boyd | Exalted Ruler

## Elk of the Month

This month we would like to recognize a member who goes above and beyond when it comes to our Veterans. He has successfully answered the call and assisted us when we are in need. He has a quick smile and a great sense of humor. Along with helping the Vets, you have probably seen him helping with funeral dinners, cleaning tables and at our pool tournaments. When you see **Alfonso Valdez** at the Lodge, please thank him for all that he does for us and those who have served.

## Did you Know...

### WHY BECOME A LODGE OFFICER!

The reason a member become a Lodge Officer is they want to help the Lodge prosper and grow. The only thing they want to get out of this experience is the respect of the members for a job well done. The Lodge is still in need of Officers for this year and next year. We hope this helps define what our members mean to us as a Lodge Officer.

### THE OFFICER CREED:

The MEMBER is the most important person in our Lodge. The MEMBER is not an outsider – they are owners of our Lodge.

The MEMBER is not an interruption of our programs – they are the purpose of it.

The MEMBER does us a favor when they call – we are not doing them a favor when we serve them.

The MEMBER is not a cold Statistic – they are human beings with feelings and emotions like our own.

The MEMBER is not someone to argue or match wits with.

The MEMBER is a person who brings us their wants. It is our job to fill those wants.

The MEMBER is deserving of the most courteous and attentive treatment we can give them.

The MEMBER is not dependent on us, We are dependent on them.

The MEMBER is the life blood of this Lodge.

Want one of the most rewarding jobs in the Lodge? Join us and become an Officer!! Your Lodge Needs You!!

The Make Our Lodge Great Again committee has put together a survey for our membership to try to determine what we are doing right and what needs to be improved. Please take a few minutes and log into the link below to complete the survey on "Survey Monkey". We hope to use the results of this survey to lead our direction about making changes at our Lodge.

Starting July 1, you can use the link to the survey or the QR code below to get the survey and complete it on your phone or tablet. There will be paper copies available at the bar if you want to manually complete the survey and drop it in the suggestion box.

All results of the survey will be confidential. Please only complete the survey once. Based upon the results of this survey we may have a follow up survey later this year. Please help us improve our lodge by letting us know how we are doing.

# Happening At YOUR LODGE

## Respond, Recover, Renew

It has been a most difficult year for everyone. As we responded to the health crisis resulting from the virus that causes COVID-19 we all had to make changes in our lives. This was true of our Lodge also. But now it is time to return to a new normal for all of us.

Our Lodge is now open with no restrictions. It is time for all of us to renew our commitment to our Lodge and once again gather to celebrate Elksdom. We have made some subtle changes at the Lodge to increase social distancing and make the Lodge safer. Masks are no longer required. If you are not fully vaccinated, then we still recommend you still wear a mask, but we are no longer requiring them of everyone. The tables are arranged a bit further apart than before. The bar stools are once again in place.

Elk membership is down nationwide and at our Lodge also. We need to reassure our fellow members that they can return to the Lodge safely. We need to work to find new members to replace those that have moved away or are not interested in being a member anymore. We need to welcome our returning members and new members into our Lodge.

We are in recovery but now is the time to renew our commitment to the truths we share as Elks. Please join me in committing to recovering from this past year and all the pain, loss, and discomfort we all experienced. Together we can grow and be stronger. We can rebuild our Lodge membership and make it greater than it was before all this craziness. We will renew Elksdom by harnessing the energy from our response and recovery to reach for a better future.

## Lodge History

This is from a book created and published by Colorado Elks under the direction of Al Maggard, PSP and Ann Gremel. The effort of working together to save and rebuild our Lodge has created an even stronger feeling of family, one that has become the foundation of the Northglenn Elks #2438 Lodge as we work together united to Make Our Lodge Great Again!

*"In August of 1969, Nine gentlemen met to discuss the possibility of forming an Elks Lodge in the city of Northglenn, Colorado. Permission was quickly granted to begin the organizational process and in September of that year, 60 men met in the basement of the Northglenn Mall, located at I-25 and 104th Street (since razed) and elected Jim Steers as their organizational committee President.*

*In March of 1970 the Northglenn Elks found their first official home in Eastlake. In April 1970, James Steers, Exalted Ruler, Leading Knight, Bud O'Leary; Loyal Knight Bill Cliff; Secretary Bob Cass; Treasurer Jack Morison; Esquire Pat O'Connell; Chaplain Howard Houts; and Inner Guard Bob Kerby were installed by the Officers of Westminster Lodge #2227 and Northglenn Elks #2438 became the 50<sup>th</sup> Elks Lodge in Colorado. Al Steers, John McKee, Tom Cox, Alex Lopez and Frank Hinkle were the first Trustees.*

*With the members growing quickly it wasn't long before before #2438 began to dream. The first goal was to find an even better home. They set a goal and worked hard to make it happen. So confident were they that someday they would realize their dream, they bought restaurant equipment from an eatery that was going out of business and stored it at Bunky Tolson's place. Finally in 1975 their dreams came true. The Lodge was moved to a warehouse (fondly referred to as the "warehouse" to this day) and completely refurbished with the help of hard working members and their families. Before long their store of restaurant tables, chairs, bar stools and various other supplies were put into place. At last they looked and felt like a real Elks Lodge.*

*Sadly, their celebration would be short lived. Later that same year a fire (possibly an act of Arson) would destroy the interior of the newly occupied Lodge. Some doubted the little Lodge could survive such an event.*

*In record time, the Lodge was back and running. The fire had drawn the membership even closer than they were before. The effort of working to save the Lodge had created an even stronger feeling of family, one that would become the foundation of the Northglenn Elks Lodge."*

Thanks for the Memories
