### Update for the Membership:

As you saw last month in the Banner, there was a notice that there would be a vote on September 16<sup>th</sup> asking the membership for approval authorizing the use of up to \$100,000.00 for Lodge improvements. That money would be pulled from our investment fund. There are several needed repairs at the Lodge that are being studied along with some cosmetic considerations. The motion was ammended to comply with Grand Lodge Statutes and passed. We want to thank all those who took the time to come out and vote on this very important initiative. Over the next couple of months you will see more notices alerting you to votes as we aquire bids and prepare to move forward with these changes. We encourage you to stay involved as they directly affect you, our membership and our Lodge. We look forward to hearing your input!

## Lodge Historian Update:

Following is the **Original Jolly Corks Toast**. The great variety of 11 O'Clock Toasts, including the Jolly Corks Toast, makes it clear that there was no fixed and official version until 1906-10. Given our theatrical origins, it was almost mandatory that the pre-1900 Elks would be expected to compose a beautiful toast extemporaneously at will.

Regardless of the form, however, the custom is as old as the Elks. The Original Jolly Corks Toast:

*Now is the hour when Elkdom's tower is darkened by the shroud of night, And father time on his silver chime tolls off each moment's flight. In Cloistered halls each Elk recalls His Brothers where'er they be, And traces their faces to well-known places In the annals of memory. Whether they stand on a foreign land Or lie in an earthen bed, Whether they be on the boundless sea With the breakers of death ahead. Whate'er their plight on this eerie night Whate'er their fate may be, Where ever they are be it near or far They are thinking of you and me. So drink from the fountain of fellowship To the Brother who clasped your hand, And wrote your worth in the rock of earth And your faults upon the sand.*

TO OUR ABSENT BROTHERS!!

Hope to see you all soon!! Stay safe and healthy!! | God Bless and Thanks for the memories!!

Jan Chambers, PDDGER | Northglenn #2438 Historian

## The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

### The Stars and Stripes

Elks have always been moved by the flag of the United States of America, which is why, in 1907, Elks members adopted a resolution designating June 14 as Flag Day. In 1911 the Grand Lodge mandated that all local Lodges observe Flag Day with appropriate ceremonies, making the Elks the first national fraternal organization to require the observance of Flag Day. Finally, on August 3, 1949, President Harry S. Truman, himself a member of the Order, permanently designated June 14 as Flag Day by signing an act of Congress.

But observing Flag Day isn't the only way that the Order demonstrates its deep reverence for the banner that symbolically embodies the values of the nation. Many Lodges give or sell flags to worthy groups and provide training in proper flag etiquette. Some Lodges even provide flags for newly sworn citizens, while other Lodges give flags to their local schools for display in the classroom and provide educational materials to help grade school students learn the Pledge of Allegiance. Each year, Elks across the country sponsor essay contests that encourage elementary and high school students to explore why the flag is important in their lives.

### Lady Liberty

At their 1983 national convention, the Order of Elks passed a resolution endorsing the Liberty Centennial Campaign's work to restore the Statue of Liberty and Ellis Island and pledging its full support to the campaign. For its part, the Order vowed to raise one million dollars in three years. Elks from across the country enthusiastically responded to the Order's pledge, and by 1986, the Order had exceeded its original goal, contributing more than \$1.38 million to restore this treasured symbol of the nation's promise of freedom and opportunity.
