EXALTED RULER'S MESSAGE

Hello to all Northglenn Elks! I hope everyone enjoyed all the events in October. We enjoyed seeing everyone back and appreciate your support. Please welcome our newest Lodge Officers, Loyal Knight: Arlan Suaers and Chaplin Archie Stark. They have stepped in to help our Lodge grow and prosper.

WE are in our busy time of year. Many of our committees are gearing up and will be working hard on our events and Charitable programs. Come down for the Charity ball and enjoy our Charity Ball and vote on our new Queen. The return of the Hobo Ball will be on the 27th. We will also be holding our Christmas Basket food drive which will once again this year, be a drive thru. Come down and shop the craft fair on the 20th. All of our committees are looking forward to member participation. If you are interested in serving on any committee, please let any Officer know and they will get you in touch with the proper person.

Sincerely,
Stephen Boyd

Elk of the Month

Our elk of the month is a familiar face to most of us. He has worked in the kitchens, both for regular meals and events, served as a member of the Lodge Officer corps and helped with any event when asked. His reubens are almost a legend among the dinner crowd, our Lodge fills up whenever word gets out he's in the kitchen. For all you have done, are doing and will do, thank you **Joel Haun**. You are appreciated,

Fraternally Yours,

Did you Know...

History of Veterans Day

The first celebration using the term Veterans Day occurred in Birmingham, Alabama, in **1947**. Raymond Weeks, a World War II veteran, organized "National Veterans Day," which included a parade and other festivities, to honor all veterans. The event was held on November 11, then designated Armastice Day. Later, U.S. Representative Edward Rees of Kansas proposed a bill that would change Armistice Day to Veterans Day. In 1954, Congress passed the bill that President Eisenhower signed proclaiming November 11 as Veterans Day. Raymond Weeks received the Presidential Citizens Medal from President Reagan in November 1982. Weeks' local parade and ceremonies are now an annual event celebrated nationwide.

The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

Civic Pride

In nearly 2,200 communities, local Elks Lodges work valiantly to promote civic pride. Local Lodges regularly hold functions to recognize and celebrate the achievements of local emergency services personnel, teachers, leading citizens, educators, students, and government officials. Elks also demonstrate the pride that they feel toward their communities by assisting the efforts of local charitable organizations through volunteer work and financial contributions.

In Defense of the Nation

In times of war and international conflict, the Benevolent and Protective Order of Elks has made considerable contributions to the nation's armed forces. The Order considers its work done to aid in defense of the nation as one of its proudest and most lasting achievements.
