## EXALTED RULER'S MESSAGE

Hello to all the Northglenn Elks. Winter is in sight and we are moving along with our Lodge improvements. I hope everyone enjoyed their Thanksgiving. November was a busy month with the Charity Ball and bringing back of the Hobo Dance. We also will had our Craft Fair and weekly food drives. Thank you to everyone who helped to make all of these successful.

This month I hope to close out the year on a high note. We will continue with the food drive to make our Christmas food baskets. We will be lighting the Lodge on the 4th when we will draw the names for the gift exchange. Kids of all ages will be welcome to come get a visit from Saint Nick on the 11th. Don't forget to come down on Friday the 17th when the baseball team will be giving us the show of putting the Christmas baskets together. On the 18th after we deliver the baskets don't forget to enjoy a drink at the Tom and Jerrys when we will exchange our gifts. We will have a business causal night at our New Year's Eve Ball.

Come down and enjoy the Lodge. You are what makes our Lodge great!  
Sincerely, Stephen Boyd | Exalted Ruler

## Did you Know...

**Elks National Foundation Mission:**

The mission of the ENF is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work. We help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in local Elks communities.

**ENF Impact**

Since inception (1928), the ENF has contributed more than \$500 million toward Elks charitable projects nationwide. Our programs continue to grow each year, allowing Elks to do even more to build stronger communities.

This year, the ENF allocated \$14.9 million to fund the Community Investments Program, investing in Elks communities through grants for Elks Lodges. Community Investments Program grants offer your Lodge an opportunity to serve your community in ways that will raise the Lodge's profile, energize the membership, encourage former members to return to the fold, and gain the notice of people who want to be part of an organization that's doing great things.

*Visit [www.elks.org](http://www.elks.org) for more information on the Elks National Foundation and how to get involved.*

**Attention Members:**

We are in need of officers to help us run the Lodge and keep us active in our community. If you are interested please see either Steve Boyd or Troy Young. We need several I'm sure we can find the right fit for you!

**Update for the Membership:**

In accordance with Grand Lodge Statutes and in compliance with the vote on the Lodge floor authorizing the use of our investment fund, we have bids on 2 projects in the kitchen area.

1. **Project 1:** Replace the kitchen cooking equipment to include the griddle, ovens and burners.
2. **Project 2:** Replace the cooling unit within the Walk in Freezer and Walk in Refrigerator.

**This was read and approved on the Lodge floor November 18<sup>th</sup>. We will be moving forward with these projects.**

## The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

### World War I

The Elks patriotism and generosity helped the nation to victory in World War I. In 1917, the Grand Lodge allocated \$2 million to finance efforts to assist U.S. soldiers. The Order organized and equipped the first two base hospitals in France, and to accommodate the maimed and wounded, the Elks built a 700-bed Reconstruction Hospital and gave it to the War Department in 1918. This was the first of what was to become the VA medical centers. That same year, the Order built a 72-room Community House to take care of the families visiting the 40,000 soldiers stationed at Camp Sherman, Ohio.

During the war, the Salvation Army was severely handicapped in its great efforts for the servicemen by lack of funds. To make sure that this work continued, the Elks undertook campaigns to raise funds for the Salvation Army, and on many occasions assumed the entire cost of these undertakings. In addition, the Order at Christmastime in 1918 gave the Salvation Army \$60,000 to continue its programs.
