The Holy Family Baseball Team back in action

Once again PER Bobby Heller and Cathy "Gretchen" Anderson did a great job of organizing and getting 90+ baskets out to our community this year.

The Holy Family Baseball Team was back this year and helping with building the baskets and delivery.

Special thanks to everyone who participated. From Food Drives and Sorting Product to Actual Delivery, this is certainly a TEAM project.

Congratulations Team Northglenn!

If you would like to help out with anything at the Lodge please feel free to contact me or any other Officer at the Lodge. Once again you are what makes this Lodge great. I am looking forward to seeing you all in the year to come.

Elk of the Month

Our Elk of the month to start off the new year is one of our long time members. A PER, he has always stepped up when the lodge needs him, being it to fill an officers chair, participate in events and has been our long time volunteer club manager. He handles all the liquor ordering, bartenders and general fussiness of bar issues that come his way. He has been a mentor to new officers and members and will give good advice when asked for it. So when you see **PER Joe Heger**, your first elk of the month for 2022, make sure you say hello and thank him for all he does!!

Fraternally Yours,
Troy Young | Leading Knight

Volunteer Of the Month

The volunteer of the Month is a person who is a jack of all trades and master of some. He is usually a behind the scenes kind of guy, but every now and again he will grace us with his presence as he serves our meals and refreshes our drinks. Please join me in congratulating **Jerry Price** as our Volunteer of the Month and thank him for all he does for our Lodge

Sincerely,
Arlan Sauer

Northglenn Veteran's Memorial Rededication

The flag depicts the fabric of our country and the military coming from within the fabric to protect our land.

Our two pavers are located within the walk area.

Northglenn rededicated this with a beautiful ceremony with the color guard presenting the flags, followed by a 21 gun volley and the playing of taps.

The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

World War II

Throughout World War II, the Elks fully contributed to the war effort by providing for members of the armed forces both at home and abroad. By the time hostilities ceased, the Grand Lodge had spent more than \$1.5 million, while local Lodges spent hundreds of thousands of dollars more.

Elks Lodges spearheaded local recruitment efforts, directly helping to enlist more than 142,000 men into the armed forces as well as thousands of construction specialists who dramatically aided the war effort. Additionally, more than 400 Lodges conducted refresher courses that qualified thousands of young men for training as army flying cadets.

During World War II, the Order also realized the need to boost the morale of servicemen stationed far from home. Across the country, the Elks sponsored 155 Elks fraternal centers, where GIs were invited to relax, socialize, and enjoy the hospitality of the Elks. More than one million servicemen visited the center in New York City. For those serving overseas, the Elks prepared and sent care packages containing candy, personal grooming supplies, and other comforting items.

In 1999, the members of the Benevolent and Protective Order of Elks gladly approved a resolution pledging an amount equal to one dollar per member to the National World War II Memorial, to be collected by voluntary donations from the Order's membership. The memorial, to be built on the National Mall in Washington, D.C., will preserve the memory of the more than 16 million people who served in WW II, the more than 400,000 who died, and the millions more who made lesser but nonetheless important sacrifices to support those in combat overseas.
