EXALTED RULER'S MESSAGE

Hello to all! As we have stepped into the new year, we have seen some rather significant opportunities to give back to our community. The Marshall Fire had a very large impact on many people within our community and it even affected some of our members. We are proud to announce that to this point, our Lodge has donated more than \$6,000.00 to aid those impacted by this disaster. Also since the beginning of the new year, we have held our Lodge Hoop Shoot and hosted the Cowboy Ball. Thanks to everyone who was involved and supported these activities. Moving forward we have the Sweetheart Ball and Redneck Games night coming in February. Our teams are still looking for help. If you are interested in serving on a committee or helping out with the Chairs, please contact any Officer.

Sincerely, Stephen Boyd
Exalted Ruler

Elk of the Month

Our Elk of the month is a familiar face around our Lodge. He is a long time member, and has helped with many things over the years but most recently bingo and becoming a fixture in the kitchen at our dishwasher. If it's a regular weekly meal, or a huge event you can count on him to be there with his sleeves rolled up helping wherever he can. His time and efforts are appreciated, because let's be honest who likes to do dishes!! When you see our elk of the month **Bruce Babbitt** Please tell him thank you for all he does.

Fraternally Yours,
 Troy Young | Leading Knight

Volunteer Of the Month

Our volunteer of the Month is somewhat of a ninja because she does many things around here and very few people see her come and go, as if you dare to blink - she is gone. Recently some new signage and posters have show up and also several pairs of mittens along with some stocking hats showed up on our Christmas tree. She is also excellent in conducting several programs for our children. So if you can see her before she disappears please thank **Kristine Marie** for all of her generous contributions to our Lodge and congratulate her on being the Volunteer of the Month.

Sincerely,
 Arlan Sauer | Loyal Knight

*Dinners are a great success and it is happening thanks to you,

The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

Korea and Vietnam

When war broke out in Korea in 1950, the Elks responded by sending the gift packs as they had done in World War II. In 1951 during the Korean War, the Secretary of Defense appealed to the Order for help in procuring blood for the wounded. Within a few months, the Elks Lodges obtained more than half a million pints.

During the Vietnam War, the Elks again answered the call by beginning the Letters from Home campaign. Elks members from across the nation flooded these fine young men and women with letters expressing gratitude for the sacrifices they were making on behalf of the nation. In addition to the letters, the Order provided care packages to soldiers.

Operation Desert Storm

As in previous conflicts, the Benevolent and Protective Order of Elks was ready to aid the men and women of the U.S. armed forces. Once again, the Elks mounted a letter-writing campaign to thank these patriots for their dedicated service, and gift packs for soldiers were provided as had been done in the past.

At the close of the Gulf War, many Elks Lodges made arrangements to host ceremonies honoring the brave soldiers returning from the conflict in the Middle East, making the Order one of the first organizations to formally welcome these veterans home.

Through these programs and many others, the Benevolent and Protective Order of Elks has truly established itself as a leading force in promoting the values that help shape and strengthen the United States.
