Elk of the Month

For my final Elk of the month before installation, I've chosen not only an excellent elkdome but a good friend and mentor as well. She has served our Lodge for many years, running the chairs as an Officer, serving as ER and as a District Deputy. She is serving right now as not only the Chaplain for our current state president but also as our State Ritual Chairperson. She is our go to for protocol questions and has helped guide our newer Officers as they navigate the often tricky relationship between local Lodges and Grand Lodge. She runs our very successful craft fair donating all proceeds to our charities. This month when you see **PDDGER Jan Chambers** make sure to thank her for all she does!!

Fraternally Yours, Troy Young | Leading Knight

Volunteer Of the Month

March volunteer of the month goes to a Lady that has been part of the Lodge since it's inception. She has participated in many activities throughout the many years and can be found most recently working with our Bingo Committee and supporting our Lodge and bowlers. Please join me in congratulating **Marilyn Yost** as this months selection as Volunteer of the Month.

Sincerely,
Arlan Sauer | Loyal Knight

Volunteer Kitchen Help Wanted...

We are looking for a couple of additional cooks or teams to work in or around the Kitchen on Wednesday or Friday nights.

Old Glory

This famous name was coined by Captain Stephen Driver, a shipmaster of Salem, Massachusetts, in 1831. As he was leaving on one of his many voyages aboard the brig CHARLES DOGGETT - and this one would climax with the rescue of the mutineers of the **BOUNTY** - some friends presented him with a beautiful flag of twenty four stars. As the banner opened to the ocean breeze for the first time, he exclaimed "Old Glory!"

He retired to Nashville in 1837, taking his treasured flag from his sea days with him. By the time the Civil War erupted, most everyone in and around Nashville recognized Captain Driver's "Old Glory." When Tennessee seceded from the Union, Rebels were determined to destroy his flag, but repeated searches revealed no trace of the hated banner.

Then on February 25th, 1862, Union forces captured Nashville and raised the American flag over the capital. It was a rather small ensign and immediately folks began asking Captain Driver if "Old Glory" still existed. Happy to have soldiers with him this time, Captain Driver went home and began ripping at the seams of his bedcover. As the stitches holding the quilt-top to the batting unraveled, the onlookers peered inside and saw the 24-starred original "Old Glory"!

Captain Driver gently gathered up the flag and returned with the soldiers to the capitol. Though he was sixty years old, the Captain climbed up to the tower to replace the smaller banner with his beloved flag. The Sixth Ohio Regiment cheered and saluted - and later adopted the nickname "Old Glory" as their own, telling and re-telling the story of Captain Driver's devotion to the flag we honor yet today.

Captain Driver's grave is located in the old Nashville City Cemetery, and is one of three (3) places authorized by act of Congress where the Flag of the United States may be flown 24 hours a day.
