EXALTED RULER'S MESSAGE

The spooky season is here! This is a fun time at the Lodge as our major events begin and our Charities kick into high gear. First, I want to thank everyone for their support for your Lodge ritual team as we competed at the state convention this year. We were a close second place and wish Littleton well as they head to Minnesota for nationals. Secondly please check your banner for upcoming events. Octoberfest is always fun and the food delicious. We have our Halloween ball on the 29th. This is an adults only event, full of food, costumes, music and fun. The haunted Lodge will be open to the public on the night of Halloween proper from 6-9, bring your ghouls and goblins for a scare and treats. I hope to see you all at one or even better all of them!!

Sincerely, Troy Young
Exalted Ruler

Elk of the Month

The October Elk of the month does more than you know here at our Lodge. He comes in the front door, gives everyone his signature smile and hello and slips quietly away to the kitchen. You then forget he even came in since it seems he has been gone for hours. He re-surfaces again when he is done with washing all of the dishes, has his adult beverage, may play a dice game, and then bids us farewell with that same signature smile and infectious laugh. Please join me in congratulating and thanking **Phil Crespín Sr.** for being the October Elk of the Month as his hard work and many hours of dedication are a huge help in making our events such as the bowler's banquets, special dinners and balls, as successful as they are. Thank you Phil Sr.

Sincerely, Arlan Sauer | Leading Knight

Volunteer Of the Month

The volunteer of the month for October is a person whos name you have seen here before. She continues to step up and help out and we just cannot help but notice.

Marilyn Yost has been helping out at our Lodge since inception. Her husband, Jerry Yost was a not only a charter member but one of our original Lodge Officers. She has helped out in Eastlake, at the Old Warehouse and continues to pitch in today here at our home on Irma as well as at bingo and bowling. We cannot thank you enough Marilyn. We appreciate you and all that you do for us!

Sincerely,
Kim Gremling | Loyal Knight

Last Meeting Update

We are in the process of purchasing new equipment and pans for the kitchen. Should be completed within 4 wks.

We are scheduled for ramp work out front for handicap area rework.

Bathroom work scheduled to begin February 12, 2023. We are looking for volunteers that have experience working with building renovation or remodels. Anyone who would like to be a part of the team, please contact Paul Schmeisser or any Officer.

Did you Know...

When a member passes...

The Elks have both a Funeral Service and a Grave Side Service. If a family member calls and requests that we perform either or both of these services, the PER's and Officers of the Lodge will put it together for you. Please ensure your family knows to request this if you are interested.

When someone in your family passes...

If you or a member of your family passes, we understand how hard it is to get everything organized. The Northglenn Lodge has a committee committed to ensuring you or your family has a place to gather to celebrate the life of the loved one. If it is a member, we are able to perform the service mentioned above if requested. For more information, please contact **Secretary Tom Chambers** or **PER Kathy Stark** for more information.

We are here for you in your time of need. Let us know how we can help.

It is finally getting cooler outside yes it is and we are very happy to not be sweaty all of the time in our safe, cozy bags! We gots to go with the man to Goblinses and Batses and other scary things to play with which sounds like so much fun!

Last month our riddle was... WHAT KIND OF ROOM HAS NO DOORS AND NO WINDOWS? We had several answers, but our winner was Nichole Brown who guessed MUSHROOM! I had thought no one would get that one.

So this month here is your riddle from me!! I saw it on the mans television and no one there could figure it out either! Maybe you are more tricksy than they were! WHAT ENGLISH WORD HAS THREE DOUBLE LETTERS IN A ROW?? It's a hard one my precious, very very tricksy!

Good luck my precious!!

Off On Another Adventure

The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

Civic Pride

In nearly 2,200 communities, local Elks Lodges work valiantly to promote civic pride. Local Lodges regularly hold functions to recognize and celebrate the achievements of local emergency services personnel, teachers, leading citizens, educators, students, and government officials. Elks also demonstrate the pride that they feel toward their communities by assisting the efforts of local charitable organizations through volunteer work and financial contributions.

In Defense of the Nation

In times of war and international conflict, the Benevolent and Protective Order of Elks has made considerable contributions to the nation's armed forces. The Order considers its work done to aid in defense of the nation as one of its proudest and most lasting achievements.

World War I

The Elks patriotism and generosity helped the nation to victory in World War I. In 1917, the Grand Lodge allocated \$2 million to finance efforts to assist U.S. soldiers. The Order organized and equipped the first two base hospitals in France, and to accommodate the maimed and wounded, the Elks built a 700-bed Reconstruction Hospital and gave it to the War Department in 1918. This was the first of what was to become the VA medical centers. That same year, the Order built a 72-room Community House to take care of the families visiting the 40,000 soldiers stationed at Camp Sherman, Ohio. During the war, the Salvation Army was severely handicapped in its great efforts for the servicemen by lack of funds. To make sure that this work continued, the Elks undertook campaigns to raise funds for the Salvation Army, and on many occasions assumed the entire cost of these undertakings. In addition, the Order at Christmastime in 1918 gave the Salvation Army \$60,000 to continue its programs.

Following the war's end, the Elks made 40,000 rehabilitation, vocational, and educational loans to disabled veterans who were ineligible for government help or awaiting approval of their applications. This service was so effective that the government followed the Order's example and established a revolving fund that was the precursor to the GI Bill.

More than 70,000 Elks served in the armed forces during World War I. More than 1,000 made the supreme sacrifice.
