Thank you Thank you Thank you

I would like to thank all those who helped with the haunted house. We had a great time again as usual. We probably had about 150 kids go through this year. All of you ghouls that help in the house thank you so much. Now its time to start thinking about next year, lets see if we cant change it up a little and make it new. We have two members who want to take charge of the haunted house and we also will have new clowns again next year. So if you want to help and enjoy scaring people contact us and lets get rolling. Thank you all Rick H.

To All Northglenn Elks Members

We are in real need of active members to help keep the Lodge running. we are not getting participation in our functions. We are in need of members to step up and become Committee Chairmen and Officers. These positions are necessary for our Lodge to continue growing and even existing as a lodge. So if you have time and want to help please come forward and talk to one of the officers or PERs. Thank you

LOL Friendly Holiday Advice LOL

Please take care of yourself this Holiday Season. A recent joint study conducted by the Department of Health and the Department of Motor Vehicles indicates that 23% of traffic accidents are alcohol related.

This means that the remaining 77% are caused by people that just drink coffee, carbonated drinks, juices, milk, water and the such.

Therefore, beware of those who do not drink alcohol.

They cause 3 times as many accidents.

Proposal to Ammend Section 16.020 of the Laws of the Order

The proposed change directly relates to a change submitted at the last Grand Lodge Session. It was decided that the Secretary and Treasurer would become part of the Board of Directors. The change being submitted removes that addition.

It currently reads:

An incorporated Lodge may make provision for a Board of Directors which shall be designated in accordance with the requirements of the corporation laws of the State or Territory in which such Lodge is situated and which shall be composed of the four Chair Officers of the Lodge, the Secretary, the Treasurer and the Trustees, and which shall be vested with the powers and duties conferred upon the Board of Trustees by the Laws of the Order, including, but not limited to, Section 12.070.

The proposed Change would remove "the Secretary, the Treasurer". This will be voted on at the Lodge meeting January 19, 2023.

Gollum's Cave

Oh Hello my preciousness!

I am so glad that you have made it thru the turkey eating days I was worried for some of you!

We had a fun winner last month, a nice ladies came in and gave us the answer to my riddle. Which word in English has three double letters in a row? BOOKKEEPER!! Did you even come close? We had a few guesses but only one correct one!! our winner last month was a Past First Lady of Colorado Connie Sommers!!

For this month precious I'm making it a bit harder for you...

WHAT HAS FOUR LETTERS, OCCASIONALLY HAS TWELVE LETTERS, ALWAYS HAS SIX LETTERS, BUT NEVER HAS FIVE LETTERS

Not so easy this time my precious, but extra tricky!

Off On Another Adventure

The Elks and Patriotism

Since the earliest days of the Order, patriotism has been among the many hallmarks that make the Benevolent and Protective Order of Elks stand out from other fraternal organizations. With a membership comprised entirely of U.S. citizens, the BPO Elks is committed to promoting the principles of individual freedom, opportunity, and dignity.

Korea and Vietnam

When war broke out in Korea in 1950, the Elks responded by sending the gift packs as they had done in World War II. In 1951 during the Korean War, the Secretary of Defense appealed to the Order for help in procuring blood for the wounded. Within a few months, the Elks Lodges obtained more than half a million pints.

During the Vietnam War, the Elks again answered the call by beginning the Letters from Home campaign. Elks members from across the nation flooded these fine young men and women with letters expressing gratitude for the sacrifices they were making on behalf of the nation. In addition to the letters, the Order provided care packages to soldiers.

Operation Desert Storm

As in previous conflicts, the Benevolent and Protective Order of Elks was ready to aid the men and women of the U.S. armed forces. Once again, the Elks mounted a letter-writing campaign to thank these patriots for their dedicated service, and gift packs for soldiers were provided as had been done in the past.

At the close of the Gulf War, many Elks Lodges made arrangements to host ceremonies honoring the brave soldiers returning from the conflict in the Middle East, making the Order one of the first organizations to formally welcome these veterans home.

Through these programs and many others, the Benevolent and Protective Order of Elks has truly established itself as a leading force in promoting the values that help shape and strengthen the United States.
