Elk of the Month

This month we would like to recognize a member that has been here since the beginning as he is a charter member. He has always been found working with the Bowling League and Tournament and has been helping with our Bingo Sessions as well. He always has a smile on his face and is quick to tell you his one line jokes. Thank you Jerry Yost for all that you have done and continue to do for our Lodge.

Sincerely,

Joe Mondragon | Leading Knight

Volunteer Of the Month

Volunteer of the Month for October is someone who you will normally see helping to make the kids parties a huge success. She spends a lot of time finding and preparing fun healthy kids snacks. Ghosts for Halloween, Santa's for Christmas and fun Bunny food for Easter. Melinda loves kids and will help in any way that she can, coming early to set up, making sure the snack table stays replenished and clean, and picking up and keeping things arranged. Thank you Melinda Schmidt, and thank you for all of your hard work behind the scenes. It does not go unnoticed.

Fraternally,

Tiffanie Lilyblad | Loyal Knight

Elks National Foundation

Elks National Foundation:

(Taken from Elks.org - About ENF article)

In 1928, one man's dream became a reality for all Elks and the communities we serve. Then-National President John F. Malley envisioned a plan that would "unite the forces of the Order into a mighty army for the service of mankind." During the annual Grand Lodge Convention in Miami that year, Malley's call to service inspired delegates to take action by voting to establish the Elks National Foundation with an initial \$100,000 grant.

Nearly 100 years after Malley shared his vision with the Order, the ENF continues to unite all Elks in service to their communities.

This year, the ENF allocated \$18 million to fund the Community Investments Program, investing in Elks communities through grants for Elks Lodges. Community Investments Program grants offer our Lodge an opportunity to serve your community in ways that will raise the Lodge's profile, energize the membership, encourage former members to return to the fold, and gain the notice of people who want to be part of an organization that's doing great things.

A board of seven trustees, who are all past national presidents of the Order, governs the ENF, which is located at the Elks national headquarters in the Elks Veterans Memorial in Chicago. The director, Jim O'Kelley, oversees the administration of the ENF's day-to-day operations. The ENF also has volunteers at the Lodge, district and state levels who help coordinate our fundraising strategy and implement our programs.

Thanks to the ongoing support of our donors, the ENF continues to expand on Malley's vision, mobilizing Elks across the country into a force for positive change.

Did You Know....

Fisher House Foundation

is best known for a network of comfort homes where military and veterans' families can stay at no cost while a loved one is receiving treatment.

These homes are located at major military and VA medical centers nationwide, close to the medical center or hospital they serve. Fisher Houses have up to 21 suites, with private bedrooms and baths. Families share a common kitchen, laundry facilities, a warm dining room and an inviting living room. Fisher House Foundation ensures that there is never a lodging fee. Since inception, the program has saved military and veterans' families an estimated \$320 million in out of pocket costs for lodging and transportation.

Veterans Day History

Armistice Day

The Treaty of Versailles was signed on June 28, 1919, marking the official end of World War I. Nonetheless, the armistice date of November 11, 1918, remained in the public imagination as the date that marked the end of the conflict.

One year later, in November 1919, U.S. President Woodrow Wilson proclaimed November 11 as the first commemoration of Armistice Day. The day's observation included parades and public gatherings, as well as a brief pause in business and school activities at 11 a.m.

On November 11, 1921, an unidentified American soldier killed in the war was buried at Arlington National Cemetery near Washington, D.C. On the same day the previous year, unidentified soldiers were laid to rest at Westminster Abbey in London and at the Arc de Triomphe in Paris.

On June 4, 1926, Congress passed a resolution that the "recurring anniversary of [November 11, 1918] should be commemorated with thanksgiving and prayer and exercises designed to perpetuate peace through good will and mutual understanding between nations," and that the president should issue an annual proclamation calling for the observance of Armistice Day.

By that time, 27 state legislatures had made November 11 a legal holiday. An act approved May 13, 1938 made November 11 a legal Federal holiday, "dedicated to the cause of world peace and to be hereafter celebrated and known as 'Armistice Day.'"

From Armistice Day to Veterans Day

American effort during World War II saw the greatest mobilization of the U.S. Army, Navy, Marines and Air Force in the nation's history (more than 16 million people); some 5.7 million more served in the Korean War.

In 1954, after lobbying efforts by veterans' service organizations, the 83rd U.S. Congress amended the 1938 act that had made Armistice Day a holiday, striking the word "Armistice" in favor of "Veterans." President Dwight D. Eisenhower signed the legislation on June 1, 1954. From then on, November 11 became a day to honor American veterans of all wars.

In 1975, after it became evident that the actual date of Veterans Day carried historical and patriotic significance to many Americans, President Gerald Ford signed a new law returning the observation of Veterans Day to November 11th beginning in 1978. If November 11 falls on a Saturday or Sunday, the federal government observes the holiday on the previous Friday or following Monday, respectively. Government offices are closed on Veterans Day.
