_____

5. 3486 + 34860 + 348600 =

_____

To practice speed, set yourself 5 minutes for these questions.

Answers

1. £6.87. Add the toy car and the stickers together and then subtract from £10.
2. 1356 points. Add the points together and then subtract from 6000.
3. 256 chocolates.
4. 127m. Add the other two building heights together and then subtract from the Burj Khalifa.
5. 426,906. Make sure to line up your columns so that you do not make an error.
