EDUCATION

- 2004-2007** **Postdoctoral Research Trainee**, Natural Hazards Center, University of Colorado, Boulder. Postdoctoral mentor, Kathleen Tierney, Ph.D.
- 2004** **Ph.D.** (sociology), University of Colorado, Boulder.
Dissertation: Constructing vulnerability: Legitimizing therapeutic religion in the World Trade Center disaster. Doctoral Mentor: Dennis S. Mileti, Ph.D.
- 1996** **M.Div.** Princeton Theological Seminary
- 1993** **B.A.** (Summa cum laude), Seattle Pacific University.

EDUCATIONAL EMPLOYMENT

- 2020-present** **Associate Professor**, College of Emergency Preparedness Homeland Security and Cybersecurity, University at Albany, State University of New York.
- 2018-2020** **Associate Professor**, Department of Communication, University of Kentucky
- 2014-2018** **Assistant Professor**, Department of Communication, University of Kentucky

ADDITIONAL EMPLOYMENT

- 2014-2020** **Director**, Risk and Disaster Communication Center, College of Communication and Information, University of Kentucky
- 2010-2014** **Senior Research Scientist**, Trauma, Health, and Hazards Center, University of Colorado Colorado Springs
- 2007-2009** **Research Associate**, Natural Hazards Center, University of Colorado Boulder
- 2001-2004** **Graduate Research Assistant**, Natural Hazards Center, University of Colorado Boulder
- 2000-2001** **Graduate Teaching Assistant**, Department of Sociology, University of Colorado Boulder

2000 **Professional Research Assistant**, REFT (Research, Evaluation, Facilitation, and Training) Institute

1999 **Columbine High School Victim Services Coordinator**, Jefferson County Sheriff's Office

OTHER PROFESSIONAL APPOINTMENTS

2018-2020 **Associate Professor (courtesy)**, Department of Sociology, University of Kentucky

HONORS AND AWARDS

Carnegie Fellowship Nominee, University of Kentucky, College of Communication and Information (2019).

Faculty Fellow in Science Communication, University of Kentucky, Center for Appalachian Research in Environmental Sciences (2018).

Visiting Scientist, Hazardous Weather Testbed. University of Oklahoma, Severe Storms Lab. (2018).

College Research Award, College of Communication and Information, University of Kentucky (2016).

Next Generation Scholar, Consortium for Science, Policy, and Outcomes, University of Arizona, Tempe (2010)

Outstanding Graduate Student Paper Award, Department of Sociology, University of Colorado Boulder (2004)

First Place Winner, Graduate Student Paper Award, Society for the Study of Social Problems, Theory Division (2004)

GRANT FUNDING

Federal

Role: Principal Investigator

Project: Collaborative Research: Online Hazard Communication in the Terse Regime: Measurement, Modeling, and Dynamics.

Source: *USGS Supplement to the National Science Foundation*, CMMI 1536347.

Time Period: July 2020-June 2021.

Total funding: \$80,000

Role: Principal Investigator, (Carter T. Butts, Co-Investigator)

Project: RAPID: Collaborative Research: Agency COVID-19 Risk Communication on Social Media: Characterizing Drivers of Message Retransmission and Engagement.

Source: National Science Foundation, CMMI 2027399

Time Period: May 2020-April 2021

Total funding: \$93,161

Role: Principal Investigator,

Project: Public Response to the 2019 Ridgecrest EQ Sequence.

Source: United States Geological Survey. Interagency Personnel Agreement.

Time Period: October 2019-December 2020

Total funding: \$17,500

Role: Principal Investigator

Project: Eye-Tracking the Storm: Information Processing of Visual Risk Communication.
Source: NOAA- OWAQ, VORTEX SE Award NA19OAR4590211
Time Period: September 2019-August 2021
Total funding: \$299,749

Role: Principal Investigator,
Project: Wireless Emergency Alerting for Earthquake Early Warning.
Source: United States Geological Survey. Interagency Personnel Agreement.
Time Period: April 2019-December 2019
Total funding: \$14,500

Role: Principal Investigator, (Carter T. Butts, Co-Investigator)
Project: Collaborative Research: Online Hazard Communication in the Terse Regime: Measurement, Modeling, and Dynamics.
Source: *NOAA Supplement to the National Science Foundation*, CMMI-IMEE 1645471.
Time Period: September 2018-September 2019.
Total funding: \$50,000

Role: Principal Investigator, (Carter T. Butts, Co-Investigator)
Project: Collaborative Research: Online Hazard Communication in the Terse Regime: Measurement, Modeling, and Dynamics.
Source: *NOAA Supplement to the National Science Foundation*, CMMI-IMEE 1645471.
Time Period: September 2016-September 2017.
Total funding: \$50,000

Role: Principal Investigator, (Carter T. Butts, Co-Investigator)
Project: Collaborative Research: Online Hazard Communication in the Terse Regime: Measurement, Modeling, and Dynamics.
Source: National Science Foundation, CMMI-IMEE 1536347
Time Period: September 2015-September 2018.
Total funding: \$256,103

Role: Principal Investigator
Project: Workshop Proposal: Disaster Communication: Redesigned.
Source: *National Science Foundation*, CMMI-IMEE 1458029
Time Period: September 2014-September 2015.
Total funding: \$49,974

Role: Principal Investigator
Project: Inoculation Strategies for Risk Communication Messaging
Source: USC-CREATE Center of Excellence; Department of Homeland Security, Science and Technology Directorate, Time Period: July 2014-June 2015
Total funding: \$30,000

Role: Consultant
Project: National Center for Food Protection and Defense, Risk Communication Theme
Source: National Center for Food Protection and Defense, Center of Excellence; Department of Homeland Security, Science and Technology Directorate,
Time Period: 2014-2015
Total funding: \$5,000

Role: Co-Principal Investigator (Jean-Paul Ampuero, PI)
Project: Hazards SEES Type 1: End-to-End Development of Time-Dependent Geo-Targeted Alerts and Warnings Enabled by Dense Observations of the 2011 Tohoku Tsunami.
Source: National Science Foundation, OCE-1331600
Time Period: 2013-2016
Total funding: \$299,852

Role: Consultant
Project: National Center for Food Protection and Defense, Risk Communication Theme
Source: National Center for Food Protection and Defense, Center of Excellence; Department of Homeland Security, Science and Technology Directorate,
Time Period: 2013-2014
Total funding: \$5,000

Role: Investigator (Brooke Liu, PI)
Project: Comprehensive Testing of Imminent Threat Public Messages for Mobile Devices.
Source: University of Maryland, Center for the Study of Terrorism and Responses to Terrorism; Department of Homeland Security, Science and Technology Directorate, DHS #HSHQDC-10-A-BOA36
Time Period: 2012-2015
Total funding: \$1,200,000

Role: Consultant
Project: National Center for Food Protection and Defense, Risk Communication Theme
Source: National Center for Food Protection and Defense, Center of Excellence; Department of Homeland Security, Science and Technology Directorate,
Time Period: 2012-2013
Total funding: \$5,000

Role: Principal Investigator
Project: When Online Is Off: Risk Communicating in Disaster following the February 22, 2011, Christchurch, New Zealand, Earthquake
Source: National Science Foundation IIS-1138901
Time Period: 2011-2012
Total funding: \$29,237

Role: Investigator
Project: Earthquake Engineering Research Institute (EERI) Learning from Earthquake Program, Christchurch, New Zealand.
Source: National Science Foundation, RAPID Program
Time Period: 2011-2012
Total funding: \$24,000

Role: Consultant
Project: National Center for Food Protection and Defense, Risk Communication Theme
Source: National Center for Food Protection and Defense, Center of Excellence; Department of Homeland Security, Science and Technology Directorate,
Time Period: 2011-2012
Total funding: \$5,000

Role: Principal Investigator
Project: Humanitarian Aid and Disaster Relief, A Workshop.
Source: U.S. Office of Naval Research
Time Period: 2011-2012
Total funding: \$98,000

Role: Consultant
Project: SCORE: Social Network Data Convergence into Reliable Information for Emergencies.

Time Period: 2016 - 2019
Total funding: \$599,110

PAPER PRESENTATIONS AT SCHOLARLY CONFERENCES

Sutton, J., James, L., & Fischer, L. (2019, December). *Behavioral responses to ShakeAlert Messages: Is "Drop, Cover, Hold On!" Actionable?* Accepted for presentation at the American Geophysical Union Annual Meeting. San Francisco, CA.

Sutton, J. & Kuligowski, E. (2019, November). *I've got to warn people! (But what do I tell them?)*. At the International Association of Emergency Managers Annual Meeting. Savannah, GA.

Sutton, J. & Fischer, L. (2019, June). *Visual risk communication: Attention, Understanding, and Decision Making in Response to a Changing Tornado Scenario*. At the Fifth Conference on Weather Warnings and Communication. San Diego, CA.

Sutton, J., Renshaw, S., Vos, S.C.*, Olson, M.*, Prestley, R.*, & Butts, C.T. (June 2019). *Longitudinal engagement and audience attention: Message contents and features that get passed on*. At the Fifth Conference on Weather Warnings and Communication. San Diego, CA.

Sutton, J., & Fischer, L. (2019, January). *Eye-tracking the storm*. The 14th Symposium on Societal Applications: Policy, Research, and Practice. At the American Meteorological Society annual meeting, Phoenix, AZ.

Renshaw, S., Butts, C. T., & **Sutton, J.** (2018). *Leveraging Inter-organizational actors' extended networks: A relational event model of public National Weather Service communications*. PSA2018, Portland, OR.

Sutton, J., Olson, M. K.*, Prestley, R.*, Renshaw, S. L., Vos, S. C.*, & Butts, C. T. (2018, November) *Build community before the storm: How the National Weather Service uses digital engagement and dialogic strategies on social media*. The National Communication Association: Applied Communication Division. Salt Lake City, UT.

Sutton, J., Olson, M. K., Renshaw, S., Vos, S. C., & Butts, C. T. (2018, January). *Social media communication across the weather continuum: Introducing the social media engagement model for the National Weather Service*. 13th Symposium on Societal Applications: Policy, Research, and Practice. At the American Meteorological Society annual meeting, Austin, TX.

Vos, S. C.*, Phillips, N. E., & **Sutton, J.** (2017, May). *Identifying naturally occurring interventions related to cancer on social networking sites: Focusing events and public discussion*. Paper presented at the annual meeting of the International Communication Association, San Diego, CA.

Vos, S. C.* & **Sutton, J.** (2016, November). *Designing messages for diffusion: Using SNS effectively during a public health crisis*. Paper presented at the annual meeting of the National Communication Association, Philadelphia.

-
- Vos, S. C.* & **Sutton, J.** (2016, October). *Increasing the retransmission of public health messages on SNS: Empirically based recommendations from the Zika and Ebola crises*. Paper presented at the annual meeting of the American Public Health Association, Denver, Co.
- Sutton, J.** (2016, April). *Designing disaster warnings for behavioral change: The intersection of technological innovation and effective messages*. Broadcast Educators Association, Risk and Health Communication Symposium, Las Vegas, NV.
- Phillips, N., League, C., Johnson, B., **Sutton, J.**, & Butts, C. T. (2016, April). *The formation and evolution of state emergency operations plan networks*. 36th Sunbelt Conference of the International Network for Social Network Analysis, Fashion Island, CA.
- Sutton, J.**, Lane, D., Williams, G.* , Burns, W., & Slovic, P. (2015, December). *Online risk talk: An analysis of real time public risk perceptions about terrorism*. Society for Risk Analysis, Washington D.C.
- Bean, H., **Sutton, J.**, Liu, B. F., Madden, S., Wood, M., & Mileti, D. S. (2014, November). *The study of public warning messages delivered over mobile devices: Integrating relevant literatures and setting the communication research agenda*. National Communication Association. Chicago, IL.
- Bean, H., Madden, S., Liu, B. F., **Sutton, J.**, Wood, M., & Mileti, D. S. (2014, November). *Disaster warnings in your pocket: A qualitative study of how audiences interpret Wireless Emergency Alerts*. National Communication Association, Chicago, IL.
- Seeger, M., & **Sutton, J.** (2014, November). *Recipes for disasters: Crisis communication's theory problem*. Panel on Theorizing Crisis Communication, Rhetorical and Communication Theory Division. National Communication Association, Chicago, IL.
- Sutton, J.**, Spiro, E. S., Johnson, B., Fitzhugh, S., Gibson, C. B. & Butts, C. T. (2013, August) *Warning Tweets: Serial transmission of warning messages during a disaster event*. 108th Annual Meeting of the American Sociological Association, New York, NY.
- Spiro, E. S., **Sutton, J.**, Fitzhugh, S., Greczek, M.* , Pierski, N., & Butts, C. T. (2012, June). *Rumoring during extreme events: A case study of Deepwater Horizon 2010*. ACM Web Science 2012 Conference (WebSci12), Evanston, IL.
- Spiro, E. S., **Sutton, J.**, & Butts, C. T. (2012, June). *Shifting attention: The effect of external stimuli on social ties among emergency management organizations*. Political Networks Conference, Boulder, CO.
- Johnson, B., **Sutton, J.**, Spiro, E. S., Fitzhugh, S., & Butts, C. T. (2012, June). *Technology lineage and adoption: Diffusion of microblog technologies among government organization*. Political Networks Conference, Boulder, CO.
- Spiro, E. S., **Sutton, J.**, Fitzhugh, S., & Butts, C. T. (2012, May). *A microstructure topology for hyperedge communication events*. 32nd International Sunbelt Social Network Conference, International Network for Social Network Analysis, Redondo Beach, CA.

-
- Sutton, J.**, Spiro, E. S., Johnson, B., Greczek, M.*, Fitzhugh, S., & Butts, C. T. (2012, May). *Connected communications: Network structures of official communications in disaster*. 32nd International Sunbelt Social Network Conference, International Network for Social Network Analysis, Redondo Beach, CA.
- Johnson, B., **Sutton, J.**, Spiro, E. S., Fitzhugh, S., & Butts, C. T. (2012, May). *Disruptive diffusion: Adoption of microblog technologies among urban organizations*. 32nd International Sunbelt Social Network Conference, International Network for Social Network Analysis, Redondo Beach, CA.
- Spiro, E. S., Acton, R. M., **Sutton, J.**, Greczek, M.*, Pierski, N., Fitzhugh, S., & Butts, C. T. (2011, May). *Rumoring in informal online communication networks*. 31st International Sunbelt Social Network Conference, International Network for Social Network Analysis, St. Pete Beach, FL.
- Sutton, J.**, Benight, C., & Lambert, J. (2011, July). *Disaster resilient rural communities: Access to online information and perceptions of collective efficacy*. 74th Annual Meeting of the Rural Sociological Society, Boise, ID.
- Sutton, J.**, Hansard, B., & Hewett, P. (2011, November). *Changing channels: Communicating warning information following the February 2010 tsunami*. 3rd International Joint Topical Meeting on Emergency Preparedness and Response and Robotics and Remote Systems, Knoxville, TN.
- Sutton, J.**, & Bevc, C. A. (2008, June). *Collaboration across boundaries: Research on regional preparedness networks*. National Urban Areas Security Initiative (UASI) Conference, Charlotte, NC.
- Bevc, C. A., Barlau A., **Sutton, J.**, Kuligowski E., & Jordan, A. (2008, May). *Across town ties: A comparison of regional collaboration networks*. 28th International Sunbelt Social Network Conference, International Network for Social Network Analysis, St. Pete Beach, FL.
- Palen, L., Vieweg, S., **Sutton, J.**, Liu, S., & Hughes, A. (2007, June). *Crisis informatics: Studying crisis in a networked world*. Third International Conference on e-Social Science, Ann Arbor, MI.
- Sutton, J.**, Palen, L., & Liu, S. (2007, July). *Studying disaster in a networked world: How expanding scale, technology, & attention challenge empirical study*. 2007 Hazards and Disasters Researchers Meeting, Boulder, CO.
- Sutton, J.** (2006, June). *Convergence of the faithful: Spiritual care response to disaster and mass casualty events*. Society for Pastoral Theology, Denver, CO.
- Sutton, J.**, & Tierney, K. J. (2006, May). *Disaster research as a specialized field of inquiry: History and human subjects considerations*. National Education Conference: Special Populations/Special Research Situations, U.S. Department of Health and Human Services Office for Human Research Protections, Denver, CO.
- Bevc, C. A., Butts, C. T., Lind, B., Liu S., Petrescu-Prahova, M., **Sutton, J.**, & Tierney, K. J. (2006, May). *Predictors of dyadic interaction in emergent multiorganizational networks following the World Trade Center Attacks*. 26th International Sunbelt Social Network Conference, International Network for Social Network Analysis, Vancouver, BC.

-
- Sutton, J.** (2004, August). *Therapeutic religion as a faith-based solution to social problems in disaster: An analysis of disaster spiritual care at the World Trade Center*. American Sociological Association, San Francisco, CA.
- Sutton, J.** (2006, August). *Vulnerability and convergence in the World Trade Center Disaster: Social management of people-types in crises*. Society for the Study of Social Problems Annual Meeting. San Francisco, CA.
- Sutton, J.** (2003, July). *Communicating emergency warnings to the public: An assessment of the state-of-the-art*. 28th Annual Natural Hazards Research Applications and Information Workshop, Boulder, CO.
- Hunter, L. M., & **Sutton, J.** (2002, July). *Rural outmigration as related to hazardous waste facilities*. Rural Sociological Society, Chicago, IL.
- Peek, L. A., & **Sutton, J.** (2002, August). *Framing the terrorist attacks of September 11, 2001: Examining theoretical approaches to disaster*. American Sociological Association, Chicago, IL.
- Sutton, J.** (2002, July). *A complex organizational adaptation to the WTC disaster: An analysis of the ARC-SAIR Team*. 27th Annual Natural Hazards Research Applications and Information Workshop, Boulder, CO.
- Sutton, J.** (2001, September). *The social construction of prairie dogs*. Human Dimensions of Natural Resources in the Western U.S. Conference, Alta, WY.
- Hunter, L. M., & **Sutton, J.** (2001, August). *Rural outmigration as related to the introduction of hazardous facilities*. American Sociological Association Annual Meeting, Anaheim, CA.
- Hunter, L. M., & **Sutton, J.** (2001, July). *The demographic implications of hazardous facility development in rural America*. 26th Annual Natural Hazards Research Applications and Information Workshop, Boulder, CO.

POSTER PRESENTATIONS AT SCHOLARLY CONFERENCES

- Sutton, J.**, Renshaw, S. L., Gardner, R., Olson, M., Prestley, R., Vos, S. C., Gibson, B., Yue, Y., & Butts, C. T. (2019, July). *Social media engagement strategies and message retransmission across threat contexts*. 44th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.
- Sutton, J.**, & Fischer, L. (2018, December). *Eye-tracking the storm*. The Society for Risk Analysis annual meeting. New Orleans, LA.
- Sutton, J.** & Kuligowski, E. (2018, July). *Creating alerts and warnings for short messaging channels*. 43rd Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.
- Sutton, J.**, Studts, J., & Silberman, W. * (2018, April). *Lung Cancer Focus Groups*. Kentucky Conference on Health Communication, Lexington, KY.

-
- Sutton, J.**, Olson, M. K.*, Prestley, R., Renshaw, S., Vos, S. C.*, & Butts, C. T. (2017, December). *Modeling social media engagement across the disaster continuum*. Society for Risk Analysis, Arlington, VA.
- Vos, S. C.*, Olson, M. K.*, & **Sutton, J.** (2017, April). *Public conversations about cancer on social networking sites: Analyzing responses to Ben Stiller's prostate cancer moment*. DC Health Communication Conference, Fairfax, VA
- Olson, M. K.*, **Sutton, J.**, & Vos, S. C.* (2017, April). *Threat and efficacy messages in television news following local transmission of the Zika virus in the United States*. DC Health Communication Conference, Fairfax, VA
- Vos, S. C.*, **Sutton, J.**, & Olson, M. K.* (2016, December). *Communicating visual risk: Threat, efficacy, and emotion in SNS messages about Zika*. Society for Risk Analysis, San Diego, CA.
- Olson, M. K.*, **Sutton, J.**, & Vos, S. C.* (2016, December). *Communicating threat and efficacy through the media: An analysis of news broadcasts about the Zika virus*. Society for Risk Analysis, San Diego, CA.
- Vos, S. C.*, & **Sutton, J.** (2016, April). *Is a picture worth a thousand retweets? Images in the diffusion of public health messages on SNS*. Kentucky Conference on Health Communication, Lexington, KY.
- Williams, G.*, **Sutton, J.**, Lane, D., Burns, W. & Slovic, P. (2015, July). *Online risk talk: An analysis of real time public risk perceptions about terrorism*. 40th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.
- Shi, X. **Sutton, J.**, Kohler, M., & Jean-Paul Ampuero (2015, July). *Mapping observations of the 2011 Tohoku tsunami into enhanced, time-dependent warning messages*. 40th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.
- Kohler, M., Ampuero, J. P., **Sutton, J.**, & Bowden, D. C. (2015, February). *Time dependent geo-targeted alerts and warnings enabled by dense observations of the 2011 Tohoku tsunami*. Seismological Research Letters. Volume 86, number 2B, Page 665.
- Vos, S. C.*, & **Sutton, J.** (2015, May). *Messaging in a public health crisis: Using Twitter to identify effective message strategies*. DC Health Communication Conference, Fairfax, VA.
- Sutton, J.**, Benight, C., Shoji, K., Lambert, J. & Johnson, B. (2013, July). *Disaster resilient rural communities: Predictors of collective efficacy and the role of the Internet following two rural mountain disaster events*. 38th Annual Natural Hazards Research and Applications Workshop, Broomfield, CO.

INVITED PRESENTATIONS

- Sutton, J.** (2020, April). *Do Three Things to Amplify Your Tweet*. Three Minute Thesis Webinar: The Value of Social Science Research in Weather Forecasting. National Oceanic and Atmospheric Administration, Central Region.

-
- Sutton, J.** (2020, February). *Designing for disaster: Mobile messages that make a difference*. The First annual TexTalk Webinar at the Houston EMAT Symposium .
- Sutton, J.** (2020, January). *Designing for disaster: Mobile messages that make a difference*. Houston Regional Alerts and Warning Workshop.
- Sutton, J.** (2019, September). *WEA template findings*. Big City Emergency Managers, Chicago, IL.
- Sutton, J.** (2019, October). *Designing for disaster: Mobile messages that make a difference*. State of Grace Annual Meeting, SUNY Albany.
- Sutton, J.** & Kuligowski, E. (2019, October). *Creating alerts and warnings for short messaging channels*. IAEM Emerging Technology Caucus, virtual presentation.
- Sutton, J.** & Kuligowski, E. (2019, April). *Creating alerts and warnings for short messaging channels*. NOAA Central Library, virtual presentation.
- Sutton, J.** (2018, August). *Build community before the storm: Social media engagement for crisis communication*. NOAA VLab, virtual presentation.
- Sutton, J.** (2018, April). *An alternative approach to health messaging when targeting a defensive audience*. KCHC Preconference, Lexington, KY.
- Sutton, J.** (2018, March). *National Weather Service Engagement on Social Media*. NOAA: Silver Spring, MD.
- Sutton, J.** (2018, January). *Lightning Talk!* Matt Parker Communication Workshop on Consistent Weather Messaging. American Meteorological Society.
- Sutton, J.** (2017, December). *(Social) media risk communication*. Round Table on Scientific and Public Understanding of Risk: The Role of Social Sciences at the Society for Risk Analysis, Arlington, VA.
- Sutton, J.** (2017, October). *Public Alerts and Warnings on Social Media*. IPAWS Advisory Committee, Working Group 3.
- Vos, S. C.* & **Sutton, J.** (2017, March). *Zika risk communication on Twitter: Message design features*. Zika Communication Summit, Annenberg Public Policy Center, Philadelphia, PA.
- Sutton, J.** (2017, February). *Visualizing risk communication: Zika messages on Twitter*. Faculty research seminar series, College of Communication and Information, University of Kentucky.
- Sutton, J.** (2017, February). *Communicating effective public warnings on short messaging devices*. National Tornado Summit, Norman, OK.
- Sutton, J.** (2016, December). *Communicating effective public warnings*. Warning Coordination Meteorologist Training, Regional Forecasting Office, National Weather Service, St. Louis, MO.

-
- Sutton, J.** (2016, August). *Episodic risk communication over short messaging devices*. The Future of Emergency Alert and Warning Systems: Research Directions, National Academy of Sciences, Washington, D.C.
- Sutton, J.** (2016, March). *Episodic risk communication over short messaging devices*. Regional Forecasting Office, National Weather Service, Jackson, KY.
- Sutton, J.** (2015, November). *Episodic risk communication over short messaging devices*. NIOSH/CDC guest lecture, College of Communication and Information, University of Kentucky, Lexington, KY.
- Sutton, J.** (2015, November). *Terse messaging on social media*. Communications Security, Reliability, and Interoperability Committee, Working Group 2, Subcommittee on Alerts and Warnings, Federal Communications Commission. (Virtual Presentation.)
- Sutton, J.** (2015, November). *Effective crisis communication on social media and other short-messaging platforms*. Enabling Fellows Seminar, National Science Foundation. (Virtual Presentation.)
- Sutton, J., & Vos, S. C.*** (2015, August). *Effective crisis communication on social media and other short-messaging platforms*. Centers for Disease Control and Prevention, Atlanta, GA.
- Sutton, J.** (2015, August). *Communications in crisis: Analyzing risk communication in social media*. Center for Human Dynamics in the Mobile Age, San Diego State University, San Diego, CA.
- Sutton, J.** (2015, August). *Risk communication: Alerts and warnings on social media*. American Meteorological Society Summer Community Meeting, Raleigh, NC.
- Sutton, J., Morse, R., Teutonico, R., Jenkins-Smith, H.** (2015, May). *Interdisciplinary collaboration: Living with extreme weather*. National Weather Center, University of Oklahoma, Norman, OK.
- Sutton, J.** (2015, June). *Alerts and warnings over social media*. Workshop on using social media to evaluate risk perception and enhance decision support, University of Maryland, Baltimore, MD.
- Sutton, J.** (2015, May). *Social media and disaster response*. Operation Dragon Fire, National Voluntary Organizations Active in Disaster, New Orleans, LA.
- Sutton, J.** (2015, March). *Designing for disaster*. Keeping Current Research Series, Department of Computer Science, University of Kentucky, Lexington, KY.
- Sutton, J.** (2014, October). *Communications in crisis: Analyzing risk communication in social media*. Japan-US Risk Communication Symposium, Japan's Graduate Institute for Policy Studies, Tokyo, Japan.
- Sutton, J., Tapia, A., Goggins, S., Thiry, E., Lalone, N. J., & Unsworth, K.** (2014, May). *Crowdsourcing crisis response: The Boston Marathon Bombing*. 11th International ISCRAM Conference – University Park, Pennsylvania, USA.

-
- Sutton, J.,** Burns, W., Slovic, P., John, R., Rosoff, H., Dillon-Merrill, R., & Sellnow, T. (2014, April). *Risk perception and communication panel*. CREATE Homeland Security Center Pre- Anniversary Event, University of Southern California. USA.
- Sutton, J.** (2014, May). *Warnings*. Disaster Research Center 50th Anniversary Event. University of Delaware, USA.
- Sutton, J.** (2013, November). *The sociology of disaster and social media*. Institute for Public Relations Research, Trustees Research Symposium, Yale Club, New York, NY.
- Sutton, J.** (2013, November). *Online hazard communication in the terse regime: Saliency and amplification of disaster warning messages*. Research Seminar, College of Communication and Information, University of Kentucky, Lexington, KY.
- Sutton, J.** (2013, May). *Alerts, warnings, and social media: What works, what doesn't, and what makes a difference*. Association of Contingency Planners, Colorado Rocky Mountain Region, Greenwood Village, CO.
- Sutton, J.** (2013, June). *Public messaging with social media: An overview*. National Urban Areas Security Initiative (UASI) Conference, Los Angeles, CA.
- Sutton, J.** (2013). *Social media and disaster response: A brief historical overview*. Production Operations Management Society: Humanitarian Operations and Crisis Management Mini Conference, Denver, CO.
- Sutton, J.** (2013). *Serial transmission of tweets during the Waldo Canyon fire*. *Risk Communication Theme*, National Center for Food Protection and Defense. (Virtual Presentation.)

TEACHING

Undergraduate Courses Taught, University of Kentucky

COM 535 Risk and Crisis Communication (S15, F15, F16, S17, F17, S18, S19, F19)

Graduate Courses Taught, University of Kentucky

CJT 721. Risk Communication (F18)

CJT 780. Special Topics: Communication Across the Disaster Lifecycle, (S16)

Postdoctoral Mentee

Sarah C. Vos (2017-2018). HEROIC Project.

Doctoral Dissertation Committees

Michele K. Olson (in progress) College of Communication and Information. **Co-Chair.**

William R. Silberman (in progress) College of Communication and Information. **Member.**

Master's Thesis Projects and Comprehensive Exam Committees

Ellie C. Hudd (2020) *Quantifying and typifying image use in television news coverage of mass shootings*. College of Communication and Information. M.A. Thesis Chair.

Robert Prestley (2019). *"It's hard to get your head around something like this": Sensegiving through rhetoric by broadcast meteorologists during Hurricane Harvey*. College of Communication and Information. M.A. Thesis Chair.

Brooke Salters (2019). M.A. Comprehensive Exam. Chair.

Taban Flores Herrington (2019). M.A. Comprehensive Exam. Member.

Lydia McManus (2019). M.A. Comprehensive Exam. Member.

Rachel Dixon (2017). M.A. Comprehensive Exam. Member.

SERVICE

Department Of Communication, University of Kentucky

Chair, Search Committee, Sport Communication, 2020

Member, Personnel Committee, 2019-2020

Chair, Search Committee, Organizational Communication, 2017

Member, Resource Committee, 2016; 2018; 2019

Member, Search Committee for Postdoctoral Teaching Scholars, 2017

Member, Search Committee for Postdoctoral Research Scholars, 2016

College of Communication and Information, University of Kentucky

Member, Strategic Planning Council, 2020

Representative, Faculty Council, 2019-2020

Director, Risk and Disaster Communication Center, (2014-2020)

Member, Graduate Admissions Committee, 2016; 2017; 2018)

Member, Risk Sciences Curriculum Development Committee, 2016; 2017

University of Kentucky

Outside Examiner, University of Kentucky Graduate School, PhD Defense and Examination for Dr. Andrea Deal. (August 2019).

Member, Markey Cancer Center, Cancer Prevention and Control Program (2017-present)

Associate Editor, *Natural Hazards Review*. (2018 - present)

External Reviewer, National Science Foundation. 2020.

External Reviewer, Joint Technology Transfer Initiative, NOAA. 2019

External Reviewer, National Institute for Standards and Technology. 2019

Subject Matter Expert, Government Accountability Office, IPAWS. 2019

Grant Review, Ad Hoc, Oregon Sea Grant. 2019

Session Reviewer, 16th International conference on Information Systems for Crisis Response and Management – CoRe Paper – Social Media in Crises and Conflicts. 2018.

Grant Review Panelist, National Science Foundation. 2018.

Subject Matter Expert, National Center for Disaster Medicine and Public Health, State of Disaster Survey. 2017.

Session Reviewer, Computer Supported Collaborative Work. 2017.

Grant Review Panelist, National Science Foundation. 2017.

Session Reviewer, 2017 Social Media and Society conference. 2017.

Session Reviewer, 11th International conference on Information Systems for Crisis Response and Management – Social Media Track. 2017.

Invited Summit Participant, White House Office of Science and Technology Policy, White House Earthquake Resiliency Summit. 2016.

Session Reviewer, Association for Education in Journalism and Mass Communication, Communicating Science Health and Environmental Research. 2016.

Session Reviewer, National Communication Association, Health Communication 2016.

Grant Reviewer, Army Office of Research. 2016.

Invited Symposium Participant, Japan-US Risk Communication Symposium, National Science Foundation and Japan Science and Technology Agency. 2014.

Grant Review Ad Hoc Reviewer, National Science Foundation. 2014.

Grant Review, Oregon Sea Grant: Coastal Resilience and Adaptation Fellowship. 2014.

Grant Review Ad Hoc Reviewer, Oregon Sea Grant Social Science and Human Dimension Research. 2014.

Grant Review Panelist, National Science Foundation. 2013.

Grant Review Ad Hoc Reviewer, Texas Sea Grant College Program. 2013.

Workshop Steering Committee Member, American Meteorological Society, Summer Community Meeting. 2012.

Workshop Steering Committee Member, The 2010 Canterbury and the 2011 Christchurch, New Zealand Earthquakes and the 2011 Tohoku, Japan Earthquake: Emerging Research Needs and Opportunities. 2012.

External Reviewer, Centers for Disease Control and Prevention, Crisis Emergency Response Communication (CERC) Manual (2012 edition). 2012.

Grant Review Panelist, National Institutes of Mental Health. 2012.

Grant Review Panelist, National Science Foundation. 2012.

Grant Review Ad Hoc Reviewer, National Science Foundation. 2011.

Grant Review Panelist, National Institutes of Health. 2011.

Conference Co-Organizer, Denver Urban Areas Security Initiative, Shared Strategies Conference. 2010.

Invited Workshop Participant, Experts in Medical Surge, Community Medical Resiliency in Disasters, U.S. Department of Homeland Security. 2010.

Session Reviewer, 7th International Conference on Information Systems for Crisis Response and Management, Networks and Collaboration. 2010.

Session Reviewer, CHI 2010, ACM Conference on Human Factors in Computing Systems. 2010.

Committee Co-Chair, Public Responses to Alerts and Warnings on Mobile Devices, National Academy of Sciences. 2010.

Grant Review Ad Hoc Reviewer, National Oceanic and Atmospheric Administration Coastal Storms Program, Mississippi-Alabama Sea Grant Consortium. 2009.

Invited Meeting Participant, Social Networks for Community Resiliency, National Academies of Science. 2009.

Session Reviewer, CSCW 2008, Computer Supported Collaborative Work. 2008.

Session Reviewer, 5th International Conference on Information Systems for Crisis Response and Management, Virtual Teams and Virtual Communities in Emergency Preparedness and Response. 2008.

Grant Review Panelist, National Science Foundation. 2010.

Conference Co-Organizer, Church World Service Disaster Forum on Domestic Disaster Ministry. 2007.

Conference Co-Organizer, Hazards and Disasters Research Meeting. 2007.

Steering Committee Member, Building Human Security, Church World Service Disaster Forum on Domestic Disaster Ministry. 2006.

Session Reviewer, 6th International Conference on Information Systems for Crisis Response and Management, Virtual Teams and Virtual Communities in Emergency Preparedness and Response. 2007.

Assistant Co-Editor, *Natural Hazards Review*. (2004 -2005.)

Advisory Committees

Member, Department of Homeland Security, Science and Technology; Alerts, Warnings, and Notifications Working Group, 2019.

Member, USGS ShakeAlert Joint Committee for Communication, Education, and Outreach, 2018-2020.

Member, Markey Cancer Center, Cancer Prevention and Control Program. 2017 - 2018.

Member, National Institute for Standards and Technology, National Construction Safety Team Advisory Board. 2017-present.

Working Group Appointee, National Alliance for Social behavioral Systems and Extreme Environmental Events, University of Oklahoma. 2016-2017.

Member, Technical Advisory Panel, Standardizing Community-Wide Public Alerts in Emergencies, Fire Protection Research Foundation, National Institution of Standards and Technology. 2016-1017.

Working Group Appointee: Federal Communications Commission (FCC) Communications Security Reliability and Interoperability Council (CSRIC). Wireless Emergency Alerts. 2015-2016.

Member, National Visiting Committee, San Diego State University, National Science Foundation Human Dynamics In the Mobile Age, IBSS project. 2015-2017.

Advisory Board Member, Centers for Disease Control and Prevention, Crisis Emergency Response Communication (CERC) Manual (2012 edition). 2012.

Advisor, Vice Chancellor's Committee on Campus Emergency Alerts and Messaging, University of Colorado Boulder. 2009.
