

Clothing Guidelines

Children & Young People (and their parents/carers/supervisors) should wear comfortable and suitable clothing, we recommend:

- Clothes that you don't mind getting grubby, dirty or covered in animal hair.
- Long trousers.
- Long sleeves when handling small animals.
- Sturdy shoes, boots or wellingtons.
- Layers (The Pony Paddock sessions are outdoors and can get pretty cold during the Autumn and Winter months however, you could work up a sweat during some of the activities)
- Waterproof over-trousers & jacket during wet weather
- Hat, gloves and warm socks during the colder months
- A sun hat (and sun cream) during hot weather.

Please ensure that long hair is tied back and that any jackets/coats can be zipped or buttoned up to prevent them flapping in the wind.
