

On Thursday, August 8, 2024 at 6:00 p.m. Mayor Walker called to order the work session meeting. At roll call all members were present and it was determined a quorum did exist. Present also were three members of the planning committee.

The first item was approval of the Agenda. Council member Keith motioned to approve the agenda, seconded by council member Askvig. The vote in favor was unanimous.

After the Pledge of Allegiance to the Flag, discussion began on changes, both recommended and required by law, to the Zoning and Land Use Ordinance, as discussed with our attorney at the work session of July 23, 2024.

After all items had been discussed, the next item was discussion of another work session. It was decided to have one more work session on August 22, 2024 at 6:00 p.m. at which time council member Watts hopes to have all changes recorded, and be ready to again meet with our attorney to be sure the documents are ready to present at a public hearing.

As there was no more business to discuss, council member Askvig motioned to adjourn the meeting at 8:00 p.m., seconded by council member Pritchett. The vote in favor was unanimous.
