Town of Gay Water/Trash Customers

All new water customers are required to make a deposit of \$100.00.

Service will be disconnected when an account becomes \$100.00 in arrears, unless arrangements have been made at City Hall for payment. When service is disconnected, the trash can, if any, will also be removed. Service will not be restored until the account is brought current and a reconnect fee of \$100.00 is paid.

If a customer loses the trash can for non-payment twice, we will not return the can, and the customer will need to make arrangements for pick up with any company they wish, and must pay that company directly for the service.

Sincerely,

Mayor and Council
Town of Gay
