

JANUARY 2019

Happy new year! Can you believe it is now 2019?!? I surely can not! I hope everyone had a wonderful holiday season! It was sure a fun time around the center with the special visits we had-santa!!! As well as Tiba and ellis's mommy came in for a special story time with our older toddlers and preschoolers! As well as all of the yummy treats, wonderful gift card and great gifts that were given to myself and the staff. Thank you thank you thank you!

January is going to be a busy month around here! We will be making a transitional move throughout the rooms effective January 2nd. Congratulations to our big kids who get to graduate to the new rooms!

We will also be having two visits this month. One on January 7th from the goldfish swim school. They will be coming in to talk about water safety. As well as mr ross from imagination yoga will be coming in-date to be announced.

January is also the time when we go over the childrens files to make sure all information is current and up to date. As well as complete a new 2019 contract. There will be no rate increase this year. 😊 please take a moment either at drop off or pick up time to stop in and see me to ensure that your childs file is ready to go! Thanks so much!

Thank you to everyone who completed the 2018 center evaluation. I will be writing up a beginning of the year newsletter for all families and I will touch base on some of the feedback that was received as well as a few other awesome things coming our way.

School age parents-can you believe the kids have days off this month? Weren't they just on break?

Peters township: no school 1/18/19 and 1/21/19

Hillcrest: no school 1/18/19 and 1/21/19

Nice four day weekend for them!

I am sure you have noticed some new faces around the center. If you have not been introduced yet, let me do so now. Miss Camryn-is an employee from our 84 location, she is helping out down here for a few weeks. She floats between all of the rooms. Miss Holly-she works mornings in our older toddler room with Miss Kelly and Miss Alex. Miss Tori-is a Slippery Rock student who will be working with Miss Ashlee in our preschool room while home for holiday breaks and summer. Please say hello 😊

Lastly, with the weather changing to winter weather, please check with your child's teacher to make sure that they have a weather appropriate change of clothes here at the center in case needed.

I wish everyone a wonderful start to 2019!
