August?! Can you believe it? I feel like I just wrote the June Newsletter hoping for warmer weather! We had an awesome water day; we will try to squeeze in a few more. Thank you to the parents who have sent in special treats all throughout the summer, nothing better than a freeze pop on a hot day, bubbles for outside and even cookies! Goodluck to our school agers and college students going back to school this fall!

Some children will also be transitioning into new rooms as we start a new school year, if you have any comments, questions or concerns during this time please feel free to share with us. We want to make these transitions as smooth as possible! Ms. Pam will be greeting all of you to review your contracts, agreements, & contact information. Please spare a few moments for your autographs. Thank You!

Thank you again for your continued support and patience during this crazy time, if you ever have any comments or questions, please feel free to ask. We are continuing to do extra cleaning/sanitizing & safety precautions around the center. THANK YOU, THANK YOU, THANK YOU!

As always-Please let us know when your child is feeling under the weather & especially if they have something 'to share` so we can post a notice for all to be aware & cautious. We post these notices on our entrance/exit doors. If you plan to take your child in for a well visit- PLEASE take a Health Assessment form. We need to keep all files current & up to date as possible.

Lastly ENJOY!! It is Summer! 😊
