

Sunshine Kids McMurray

Well we did it folks! Another Summer coming to a close here at Sunny Kids! Didn't they just get out of school last week? Now we are getting ready for bus stops and first days! Canon McMillan 1st day of school is 8/22. Peters Trwp is 8/21. Bethel Park is 8/29. Those who have summer school age children here, I need to know ASAP when their last day will be.

Reminder, Sunshine Kids will no longer be providing transportation to any of the local elementary schools. We will remain a bus stop for Pleasant Valley, McMurray Elementary and Peters Middle.

Another reminder, August is our annual state inspection window. All children **MUST** be dropped off in their appropriate classrooms. We are not permitted to have plastic bags, so if your child needs to bring something in, it must be in a Ziploc bag, brown paper bag or a bookbag.

We are going to be making a transitional move between the classrooms once the kiddos go back to school. Exact date will be announced as well as you will receive notification if your kiddo will be making the leap from little room to big room. How do these babies keep getting so big!??

One last reminder, please, please, please use caution when entering and exiting the parking lot. Just because Summer is coming to an end, the children will still be going outside 2x per day weather permitting. I want to make sure all of my babies as well as all of you are safe at all times!

Thank you thank you!

Have a **WONDERFUL** remainder of Summer!!
