NEWS THIS MONTH

Happy New Year Everyone!

Developmental evaluations will be completed this month for the children. Once completed, we will meet at drop off/pick up for you to review and sign!

With colder weather comes sickness. Please be sure to follow our illness policy regarding attending as well as if pick up is needed.

Reminder: whenever your child has their yearly wellness visit, please grab an updated child health report completed by the doctor. We need this updated yearly!

It is file update time! Please make sure to allow some time at pick up or drop off to meet so that we can get a signature on your new contract/agreement!

We hope that you all had a great time over the holidays!
