

We are almost there!!! Only a few more days school kids, and SUMMER VACATION has begun. Peters last day is Thursday, June 6th! Man this school year was over in the blink of an eye.....not if you ask the kids opinion!

With summer here, please make sure you let me know if there is a day(s) your child will not be at the center. I know it is always nice to head to Kennywood for the day or to head to the beach for vacation, but please just let me know so I can adjust the ratios accordingly.

How does everyone like the REMIND app? I think it is working out nicely. If you are not on, please let me know and I will get you the information to join. It is FREE and it is just another way of staying on top of things happening at the center.

As much as we love our momma's we love those dads too! Donuts for dad will be on Friday, June 14th. Daddies, please take a minute in the morning to have a tasty treat with your kiddo.

School age parents, Miss Cat is working super hard on some fun and exciting things happening in the school age room this summer. The days are going to be packed with activities. As well as we will have a new teacher in the classroom. Miss Sam is coming to McMurray for the summer to be in our school age room alongside Miss Cat. Miss Sam was one of my kids at the Finleyville center, then she volunteered, became employed and now is a certified teacher who works with us seasonally. I know the kids will love her and I sure hope you all do as well.

Don't worry non-school age kids! There are activities planned for you as well. I am working on some dates for different things coming to the center for you as well as water days! I know everyone is looking forward to the Kona Ice truck coming back this year. (Permission slips to follow)

You will be receiving if you have not already your child's most recent developmental evaluations. Please review and feel free to reach out to me with any questions, comments or concerns you may have.

Lastly, I would like to give a BIG CONGRATULATIONS to our ONE preschool graduate this year!!! Evan Yarkosky has been with Sunshine Kids since he was knee high to a grasshopper, now he is ready to hop over those cubbies to the school age room. He will be graduating on Wednesday, June 5th in front of his family and teachers. Please make sure you give him an extra high five when you see him at drop off and pick up time!

Everyone please have a safe and wonderful start to SUMMER! We are very much looking forward to making those memories with your kiddos this year!

JUNE BIRTHDAYS

Theresa-8

Owen-9

Reid-4

Austin-22

Noah-9

Megan-11
