

SUNSHINE KIDS MCMURRAY CENTER

Can you believe it? I did not think warm weather and sunny skies would ever get here! Boy, we have had a time the past few months, haven't we? It is so nice to be back to some sort of normal. Even though things are looking a little different right now than our normal, we are making it work. The kids are adjusting back just fine, they know the washing hands times, they know some wear masks, and some don't, they know they cannot share a drinking cup. They are really doing well to everything that they have been faced with the past few months. We need to make sure we continue to praise them often, for their little worlds have surely changed just like ours.

While we had some time away, the center got all the floors professionally cleaned. Each toy, doorknob, light switch, stuffed animal was cleaned and disinfected. The teachers came in to view virtual trainings to stay on top of the ever-changing early childhood education field. As well as they worked on getting their lesson plans ready for the remainder of the year, there sure are some fun things happening!

Moving forward, during the first week of June, all families will still be given the opportunity to have one last free week of childcare. This will hopefully help those who have distance education going on at home. The second week of June (week of 6/8) you may use one week of vacation time at 50%. This will not go against your vacation time. It must be used that week and can not carry over. As of the week of June 15th, all families will be required to pay full price tuition to reserve their child's spot at the center. Please let me know if you have any questions.

Preschool grad mom and dads, we would still like to do some sort of celebration for the kiddos who are transitioning to the BIG SCHOOL. We are just trying to figure out what we are allowed and not allowed to do. I will keep you posted every step of the way. These kiddos worked so hard with Miss Ashlee, they deserve to have their cake and get their picture with the cap and gown on. Stay tuned for more information on this.

If you have not already done so, please get back to me via email or when you drop off/pick up your signed illness policy for your child's file. Please let me know if you need another one.

Unfortunately, at this time, we will not be able to have Kona Ice visits. Once we can schedule those again, I will let you know so the kiddos know. I have some ice cream party days planned to try to make up for it.

Again, I would like to thank all of you one more time. These past few months have left us all with so much uncertainty, so much day by day up in the air, but the Sunshine Kids McMurray family stayed strong through it all. Communication was just as good as it is when we are together, the pictures of the kids, I loved every single one of them. You all are amazing!

Have a safe, HEALTHY and happy month of June!

JUNE BIRTHDAYS:

Reid-4

Theresa-8

Owen-9

Noah-9

Vlad-11

Austin-22

Miss Cat-14
