

Ok, Phil, it is your time to shine. You told us an early Spring was coming, it is now MARCH, lets get the show on the road. I am loving the little bits of daylight that linger just a while longer in the evenings. We are almost there! Don't forget to SPRING FORWARD your clocks one hour on Sunday, March 8th. Then it will be short weather in no time!

Thank you all for the "love" we all felt this past Valentines Day. Not only did the kids have a great time exchanging with their friends, the teachers were well loved as well. You all treat us way too good 😊

Let's touch base on fundraising: candy bars are still in the office, but the pickin is getting slim. If you want a box for the office, or one for your fridge, please stop in and see me. The more you take, the less I eat. It's a win win for all!

Easter candy-REMINDER!!!!!! Orders and money (one check payable to Sunshine Kids or cash) is due on Tuesday, March 3rd. Thank you so much for your participation.

Lastly, we are going to be fundraising the delicious Shop N Save hoagies again this year. I will be calling and setting up that fundraiser in the next few weeks, stay tuned for those dates and info.

PETERS NO SCHOOL-Friday, 3/27/2020

I want to send TWO BIG CONGRATULATIONS out this month!!! One to our older toddler, Zeke who became BIG BROTHER on February 12, 2020 to little brother Elijah. Mommy and baby are both doing great. Also, I want to send a congratulations to our Miss Alex who became an AUNTIE one more time on Tuesday, February 18, 2020 to Bentley Liam. Mommy and baby are also both doing great as well as auntie is as proud as can be.

Mr. Ross will be making his way in the center towards the middle/end of the month. To see out preschoolers and get them moving and grooving.

Lastly, I am sure that most of you have heard, but I have some exciting news to share. Come August of this year, I will now be a mommy to 2! Yep! Miracles "due" happen. Talk about a surprise, but what an amazing way to start 2020, telling my Tyler that he was going to be a BIG BROTHER! Don't worry too much, Miss Ashlee will be here when I am on leave, as well as Miss Alex and Mr Nick will be hanging out here and there as well. All bases are covered.

Everyone have an amazing first month of Spring! Enjoy the sunshine, get outside, make memories!
