

MCMURRAY LOCATION

It is officially my favorite time of year!!!! First, Halloween, then Thanksgiving, then Christmas. Love love love it!!!

Halloween, as most of you know is my fave!!! We will be holding two celebrations at the center this year. Our annual trick or treat parade that is held during the day where the children bring their costumes to school, parade through the parking lot to get treats passed out by parent volunteers (let me know if you would like to) and then we have a party in the center. This will be held at 10:00am on Tuesday, October 31st.

Room counts are as followed if you would like to bring in treats. PLEASE no peanut butter

Infants-10 Young Toddler-14 Older Toddler-15 Preschool-24

THEN, we will have a TRUNK or TREAT starting at 6:30pm on Friday, October 20th. Sign ups will be posted on the main entrance door to sign up if you want to TRUNK. If you are only treating you do not need to sign up. More details to come soon.

Canon Mac parents, those big kids do not have school on Monday, October 9th in observance of Columbus Day.

We will be completing the developmental assessments on the children during the month of October. Please keep an eye out for those and remember, we can schedule a conference at any time if you would like one.

This past month, we have had to have a lot of communication with the preschoolers and their parents about the behaviors that have been going on in the classroom. Please continue to work alongside of us on communicating with the children on the importance of using helping hands, not using potty words, and never ever any weapons. Thank you for your immediate attention to this matter.

One last reminder, if your child has come down with an illness, please make sure to follow the protocols in place at the center. We are trying as hard as we can to minimize the spread of anything, but we need your help too. Thanks so much!!!

I hope everyone has a great and fun Halloween and month of October.
