

Happy Fall Y'All!

I am ready for cooler weather, hoodies and bonfires.....no SNOW though! I am never ready for that! Please check with your child's teacher to make sure that he/she has a seasonal change of clothes. Just in case of an accident.

We have some fun activities planned for this month. October 2nd-Peters Twn. Fire Department will be coming by with Sparky to teach the kiddos all about fire safety. Friday, October 18th, we are hosting our first Trunk or Treat! I am super excited about this and really think it is going to be a fun and awesome time. If you would like to participate by decorating your car, please sign up on the door. We have about 28 spots and 17 of them are already filled. If you do not wish to participate that way but would like your child to walk through to gather treats, by all means you are more than welcome! Grandmas and Paps are more than welcome to come too! If you are decorating your car, please be here by 6:30pm and ready to go for the event will start at 6:45pm. I will send out a message via email and the REMIND app of an estimate of how many kiddos we are planning on having for treat purposes.

On Halloween, we will be having our annual Halloween Party and Parade. Of course, moms and dads, you are more than welcome to attend too. And dress up if you would like. The parade will start at 10:15am. Please be here by 10:00 so we can get everyone in place.

Total classroom sizes for those treats are:

Infants-13 Young Toddlers-10 Older Toddlers-7 Preschool-26

Lastly, on October 28th, we will be having the Washington-Greene County Vision Association here to do free vision screenings on the children. Permission slips will be sent home closer to the date.

School closures for this month, Thursday and Friday, October 24th and October 25th NO SCHOOL for Peters Township.

Trunk or treat this month, Thanksgiving Feast next month and then Santa visits. How is this year going by so fast? I am very much looking forward to this fun time with the Sunshine Kids family. Here is to fun times and memories! Everyone have a great month and be safe trick or treating!
