Happy New Year! 2026 here we come!

Our visit with Santa went extremely well- very few tears this year! 😊 We have a brave bunch of kiddos! They all enjoyed seeing him, sharing their wish list, and of course receiving a little gift! To all of the families that played Santa & brought snacks for the children & sent us "gifts" – cards, photo cards, chocolates, cookies, cheese and fruit, candles, lotions, ornaments, gift cards, towels, Chic Fil A, Dunkin Donuts, Chipotle, Panera, cheese and crackers basket & homemade gifts- **Thank you, Thank you, Thank you! We truly appreciate your thoughtfulness, especially the kind words & merry wishes!** A big thank you to all the families who helped support our Giving Tree! We have collected a big box full of goodies to donate to the Washington Area Humane Society! It was a great way to teach the children about kindness and giving this holiday season!

Ms. Pam will be working on the 2025-year end statements soon and as they are completed; she will be hand delivering them. If you need one sooner, please let her know. Mid-month, she will be making her rounds to catch everyone for reviewing and autographing their contact forms, agreements, and contracts.

If you have any changes... phone number, job, insurance, address, please bring in that info ASAP. Well visit? Please take a Health Assessment form. We need to keep all files current & as up-to-date as possible. Kindly allow the few extra minutes to review these items. We will also be completing your child's developmental evaluations. These are done to help us better meet the children's needs. You can schedule a conference to further discuss the evals at any time. Thank you again for your patience and cooperation.

Please continue to let us know when your child is feeling under the weather & especially if they have something contagious, so we can post a notice for all to be aware & cautious. All notices are posted on the exit doors, please feel free to read as you come & go. With the winter season, please make sure our door is securely closed when entering & exiting the center. The weather has caused our door to "swell", causing it not to close completely. Winter can make some crazy mornings; we know school delays and closings can happen suddenly. We kindly ask that you call /text/email ahead of arrival to insure we have room for School Agers when there is an unexpected school closure. We will try to accommodate you the best we can on short notice. Thank you!

We are very excited for the new year ahead!

We have many smiles, hugs, and fun to share, so let's do this! 😊
