

## SUNSHINE KIDS MCMURRAY

April showers bring May flowers and this year it also brings the Easter Bunny. The bunny himself will be hopping by Sunshine Kids later this month. The date will be posted once I can get a hold of her in the bunny hole. Sunshine Kids will be CLOSED on Friday, April 19, 2019 in honor of Good Friday.

Thank you to everyone who participated in the Sunshine Kids Spring fundraisers. Just a reminder, we still have Sarris candy bars in the office if you would like just one, or if you would like to get a few for Easter baskets. The Sarris Easter candy will be delivered and ready for pick up on Thursday, April 11, 2019.

School age parents, some important dates for you to remember this month:

Peters: No school 15-22

Hillcrest: No school 18-22

I sent out an email towards the end of March in regard to summer schedules. Please if your child(s) schedule will be different with the summer months approaching as well as once you have your vacations in place, please let me know so that I can mark the changes on my calendar. Thanks so much!

Mr Ross will be coming by again this month for Imagination Yoga with the preschoolers. He is a busy guy, so once he announces the April dates, I will let all know.

Please make sure that your child has a seasonal change of clothes in their classroom in case an accident occurs throughout the day.

Lastly, hopefully all the flu bugs and everything else is behind us. But if your child does come down with something, please make sure that the center is made aware of it. As well as if your child gets sent home early due to a fever, vomiting or diarrhea, it is our ill child policy that they are not permitted to return before 24 hours of being symptom free.

Thanks so much and have a great Easter holiday!

APRIL BIRTHDAYS
