

SUNSHINE KIDS MCMURRAY LOCATION

I am so very excited to share that our Ms. Amber is going to be starting a new program with our preschoolers during the month of June. She is focusing on teaching social and emotional development with them. After receiving feedback from all of the local kindergarten teachers, social and emotional skills is something that those entering school are lacking and they strongly encourage us as childcare providers to start implementing more of these skills within our classrooms. So now we present- Feeling and Dealing with Ms. Amber. We are so very excited for her to bring this opportunity in the classroom for the preschoolers to learn and develop from.

School is out for summer!!! Canon Mac and Chartiers finished up the last week of May. Peters last day is Thursday, May 5, 2025.

JUST A REMINDER to all of those who will be taking the Sunshine Kids Graduation Stage this year- Mabi, Jack, Kenzie, Jimmy, Evelyn, Trey, Arden, Mayley, Josey, Gavin and Rhett. We will be celebrating you all on Friday, June 6th at 6:30pm at our center. It is so hard to believe that these kiddos are off to kindergarten when they were just in the infant room with Ms Amy last week.

Another big celebration this month is for Sunshine Kids. Sunshine Kids celebrates its 30th birthday on June 12th. That day will be a party day in the centers. Celebration details are coming soon.

We can't forget about those dads in our life! Donuts for dad will be held on Friday, June 13th. Dads- give yourself a few extra minutes in the morning to share a donut with your little one. Happy Fathers Day from us at Sunshine Kids.

It is officially the start of summer everyone!! Enjoy the sunshine, eat popsicles, go swimming and simply make memories! They are only a little once!

Have a great month!!
