

Sunshine Kids McMurray Location

They officially did it! They are all back to school. Little to no tears, smiles on their faces and lunchboxes packed! We hope all our graduates have the most amazing kindergarten year!!

Our big kids here at the center—they all made the move too!! Shifting from babies to toddlers, toddlers to preschoolers, they just keep on sprouting no matter how hard we try to get them not to.

As I am sure most have you have noticed already, but I have not made the official announcement, we have a new morning face on the team. Ms. Macey (TJ's momma) has started opening the center with our veterans. By 9:00am when she leaves for her full-time job, your child has already read 75 books, did karate, ran laps around the room and sang at the top of their lungs to Frozen. We are lucky to have her as a part of our team.

We have a HUGE milestone to celebrate during this month; our Ms. Ashlee has been with Sunshine Kids for 15 years!!!! When you see her, make sure to give her a huge congrats.

I am seeking some assistance and you always come through, we are hiring here at our McMurray location. Full as well as part-time positions. Must be able to open and close. If you know anyone, please send them my way!

Lastly, just a reminder, Sunshine Kids will be CLOSED on Monday, September 7, 2026, in honor of Labor Day. (The unofficial end of Summer) I hope each one of you enjoy one more cookout, swim in the pool and all things summer!!
