### **August 2021**

During our July 25 worship service, we heard a wonderful message about God's "Stream of Living Water" and Jeff Baker's artistic ability to produce a beautiful chalk art picture. We were so blessed to have Jeff as a part of our worship service, and thank him for sharing his Drawing God's Glory ministry with us.

As we contend with the hot days of summer, it is always good to enjoy a cold drink of water to refresh our bodies. Everyone, no matter what you're doing, be it working outside, going for a walk, playing, or even golfing, the refreshment we get from something so simple as a drink of water really makes us feel good.

Recently, some of my friends have started commenting that the days are getting shorter and soon it will be dark early. It is part of our yearly cycle and it affects the way we think and what activities we will do. We plan our daily lives differently as the season changes.

One of the things we plan the most is where and what we are going to eat. Our family loves to go out for dinner with friends. The main question is always what do you want to eat, and where should we go?

With this in mind, a wise old man told me that if a person ever were to ask how they should start to read the Bible, always tell them to start with reading the gospel of John. When you think about it, this gospel deals with the love of God and these three things that we all know as a part of our daily lives: light, food, and water.

The first chapter tells us that God sent His son to be the light of all mankind, John 1:4. Then, in John chapter 4, Jesus gives us the story of the living water when he talks with the Samaritan woman at Jacob's well. Finally, in John 6:35, Jesus declared, "I am the bread of life. Whoever comes to me will never go hungry and whoever believes in me will not be thirsty."

What a wonderful promise we have as Christians!

Thanks be to God!

These services help reduce stress, financial burdens, and help strengthen their coping abilities. Celebrating 40 years of service, this year it's important that we focus on the future and the mission of the "House that Love Built".

## St. Andrew Welcomes Beautiful Lilly Eileen Styer

On June 6, 2021 Pastor Christopher Raiford performed the Sacrament of Holy Baptism on Lilly Eileen and she was adopted her into God's family. Mother Anna , Grandmother Michele, and Grandfather Richard Styer were her sponsors. Pray for God's blessings for Anna and Lilly.

On July 25th, Jeff Baker, area chalk artist, graced us with his talents once again. The picture he drew was beautiful, and although it doesn't show up in this photo, with a black light he created Jesus' image coming out of the sky with open arms. It was simply breathtaking! We will be displaying the picture somewhere in the church for all to admire.
