Wow! What a wonderful message Jennifer Souter delivered during her participation in our worship service on September 19th. Isn't it great to see how she has grown from being a youth at St. Andrew learning about God to being an adult messenger for God?

She informed us that the cairn is a symbol for the Israelites to remember what God had done for their ancestors when crossing the Jordan river on their entry into the promised land. We were asked to take a moment and remember something or sometime when we felt God was present in our lives.

Well for me, it was thinking how blessed I was to grow up with a family that was so supportive, and having great friends and neighbors throughout my life. I can't imagine what it must be like to grow up in an environment without a caring family and having friends that you can count on and trust. However, we all know that many children are actually being raised in such conditions today.

We live in a torn world which seems to be getting worse everyday. Division is the norm. Unity appears to be far from our reach. Did you ever have an instance when everything seemed to be going well, and then your family or friends became divided by some kind of gossip or mistruth? Well, that is the work of Satan who is continuously working in this world to destroy our happiness.

When things in your life don't seem to be going in the right direction, there is a friend we can count on to keep us on the right track. We just need to turn to Jesus, and renew our faith with the hymn "What a Friend We Have in Jesus"!

What a friend we have in Jesus,
All our sins and griefs to bear!

What a privilege to carry
Ev'rything to God in prayer!
Oh, what peace we often forfeit;
Oh, what needless pain we bear -
All because we do not carry
Ev'rything to God in prayer!

Have we trials and temptations?
Is there trouble anywhere?
We should never be discouraged -
Take it to the Lord in prayer.
Can we find a friend so faithful
Who will all our sorrows share?
Jesus knows our ev'ry weakness -
Take it to the Lord in prayer.

Are we weak and heavy-laden,
Cumbered with a load of care?
Precious Savior, still our refuge -
Take it to the Lord in prayer.
Do your friends despise, forsake you?
Take it to the Lord in prayer.
In his arms he'll take and shield you;
You will find a solace there.
