

LORD I PRAY FOR WISDOM

I pray for fulfillment of that path I sought on Christmas Day, Last year. The gift YOU gave in the wilderness of self-abandonment. The desire for wisdom for not only me Lord, but for our team, LORD your team.

LORD I pray that wisdom sought is fully wisdom gained.

LORD I pray for humility.

LORD I pray for strength to achieve steadfast obedience.

LORD I pray for eyes to see, and ears to hear.

LORD I pray for your fully authorized gifts.

LORD I pray that any anointing upon me that you have authorized be passed through all on this team.

LORD lead us past those false profits devoid of Your Spirit and directly under You authorities.

LORD I beseech you humbly that our team can walk like, talk like, live like, have peace like and love like Your Son as He / You walked the terra.

LORD I add a pouring out of your Holy Spirit for an extra measure of alertness to those things that are poison darts to the noblest of your warriors.

LORD guide each of our steps, as You have, toward Your objective, through the darkest of nights, through the thickest of jungles, through the driest of deserts, that we avoid the arrows that fly, brush past the sentries of the demonic and into the camps of the evil doers that we can crush their evil plans and free the oppressed.

LORD I pray you continue to bless us as we walk through the valley of the shadow of death, I pray upon return to base you make us to lie down beside still waters and that you restore our souls.

LORD I pray you empty the team of flesh and transfer in strength of spirit and the peace of soul.

LORD give us all hands to heal and hands for war. Sharpen our blades with your might words. For the sound of a blade scraping on a whetstone is familiar to the warrior.

LORD now I must pray for our enemies, the abused who've become abusers. I pray they find their way to YOU. Forgive them and heal them, for they know not what they do.

LORD we ask for inner wealth on the inside, the wealth of the SOUL Lord, that we can withstand any prolonged engagement and remain steadfast and we hang on to our ability to Love, according to your command.

Lord I pray finally, on a more personal ask, that our team members who seek a helpmate find one with the anointing of Your Holy Spirit that she has a keen understanding of her divine calling. Lord, for those who have a helpmate, I pray you equal the yoke and create a fierce sense of understanding and love between them, per the scriptures.

LORD GOD, ADONAI, O THEOS, FATHER hear our prayers, we love you, we love you, I love you. I claim all of this, this victory, Your victory, to YOUR glory Lord, and in the Name above ALL names, unto the ages of ages, in Jesus' mighty name I pray.

AMEN
