WHAT WE DO: FOR THE COMMUNITY:

- ◆ Coalition meetings
A group of community members that come together to work on topics that are troubling the community. Each member brings their own knowledge and strengths to try to reduce the issues.
- ◆ Project Sticker Shock
Uses stickers, posters and other media to warn adults about the penalties for supplying alcohol to minors. These stickers are placed on multi-packs of beer.
- ◆ Parents Who Host Lose the Most
Educates parents about the health and safety risks of providing alcohol to teenagers and increases awareness of and compliance with underage drinking laws.
- ◆ Responsible Server Training
A New York State Liquor Authority-certified program designed to teach anyone who sells or serves alcoholic beverages about how to sell or serve responsibly.
- ◆ Problem Gambling
A presentation that teaches about gambling and the affect that it can have on family and friends.
- ◆ Hidden Drug room
This provides parents with clues from a teen's bedroom to help them determine whether their child might be experimenting with or using drugs or alcohol. Room décor, hidden compartments and items to conceal use are located throughout the room.
- ◆ NARCAN Training
Train others on how to administer NARCAN to save those going through an overdose.
- ◆ Talk Saves Lives
A community-based presentation that covers the general scope of suicide, the research on prevention, and what people can do to fight suicide.
