The October Cruise was centred around the docklands on the Saturday morning for the AGM at 3 pm for the new committee to take over the reins for the ensuing year.

All boats were launched at the Warmies near the Newport Power Station on the Friday afternoon for an extra night on the water.

Saturday morning after breakfast, we walked over to the docklands area for some shopping for a bargain, sightseeing and a general look around.

Saturday afternoon was the AGM for members and a good turnout of members.

Jan Fraser was presented with a plaque of Don and his Cruiser Waverider from all the members of MWCC for recognition of the work behind the scenes and his knowledge and friendship he gave to all the club members.

The new committee was elected and below are the new committee.

Commodore	Stuart Malone
Vice Commodore	Peter Walters
Treasurer	Annette Malone
Secretary	Gemma Dickson
Publicity Officer	Peter Holyoake
Stores Manager	Tony Dickson

After the AGM we all talked for a while and decided to go to the old Woolshed for a meal, and while there it was time to have another chin wag and try to solve the problems of the world as well as bring new ideas to our club. The food was up to its usual standard very enjoyable.

Sunday morning was a better day, and as a group we decided to cruise over to Docklands for a stroll and any bargains to be had, then down to Sandringham area for lunch.

Tony and Gemma in G & T a Cruisemaster 700 had a few strange noises when running but they proceeded to come also, anyway if they had broken down, being in a club we all look after each other, someone would have towed them back to the ramp, but as it turned out we all got down to Sandringham had our lunch in the peace and tranquillity of Port Philip Bay and then returned to the Warmies to retrieve our cruisers and reunite them to their trailers and off to various parts of Victoria.

A good weekend again on the water with the people of the MWCC.

Thank you all for coming to the AGM, it was great see and greatly appreciated.
