**This Cruise was attended but it was not on water.**

**A small area was set aside by the Whittley Group for the MWCC stand at the Melbourne Boat Show June 2013.**

**All personnel who attended worked on the MWCC stand trying to get new members with Whittley Cruisers.**

**This is the first time that we have had the opportunity to entice new members into our club.**

**It was successful as we signed up 3 new members.**

**While we were there we walked around the other stands to get information or thing to do on our vessels, it was a good eye opener.**

**We had two DVDs running at different times with still photographs and a DVD of the up coming 2014 Whittley Regatta.**

**All who attended had a great time.**
