

Tassie Cruising for 7 days over Christmas

Trip starting from Beauty Point to mingle with the Launceston to Hobart Yacht Race. Win News on board

Then onto the trailer for a 4 hour drive to Triabunna. South East of Tassie.

Already at the Spring Bay Boat Club Marina for our week long Trip.

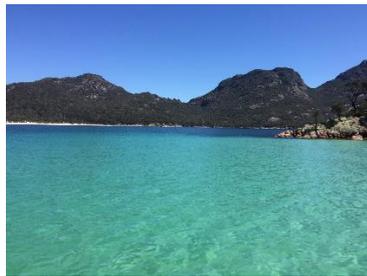

Surprise surprise another Whittley CR 2800.

First night in Wine Glass Bay.

Fishing and eating all our great catch.

Not a cloud in the sky and at night every star could be seen.

Next Day off to Coles Bay and yes another CR 2800. I could believe.

A beautiful day was had shopping eating and sleeping as the wind was around 25 knots.

With such high winds we decided to travel 30 minutes for the protection of Brians Corner. We were so disappointed, with our hearts in our mouth when we saw the remains of a 50 foot timber ketch that had burnt the night before!!! (electrical fault) All safe on board.

From here we travelled to White Rock to have lunch with the local seals. Captain Summa could believe the size and how friendly all the seals were.

New Years Eve.

23x boats all together within Chinaman's Bay Maria Island for the night and we had a ball. 35x people on the deck of one very large cruiser was a site.

The next day we returned to the Triabunna Marina and home, only to hear over the VHF warning everyone of a great white that was 4 metres in length out in the bay.

Angus, exhausted after chasing seals, was safe and asleep in his bed!

Although our holiday was cut short due to work commitments, we are off again next month to cruise around Port Arthur and Hobart.
