TRIP Report – March 2018 Lake Eildon

Ideal conditions on Lake Eildon..two boat crews Conkiki and Shalimar.

First two nights winding down Woodbridge Point then a beaut cruise to the Howqua and found a neat cove out of the southerly for Sunday night. Naturally Audrey has proven to be the Ace fisherperson with a humongous carp disposed of. Pretty warm days and swimming essential, Amy & Bella showing the way.

Met up with John Archibald on his PWC in the Howqua who looked almost 'official' in his blue PFD which made both skippers do a double take before we recognised him.

Looking forward to another good run back to Bonnie Doon.
